**Essentials of Christian Faith** Stephen E. Burris, 1992

*Readings in the History of Christian Theology, Volume 1, Revised Edition* William C. Placher, Derek R. Nelson, 2015-08-19

William C Placher and Derek Nelson compile significant passages written by the most important Christian thinkers from the early church through the Middle Ages and up to the beginning of the sixteenth century. Illustrating the major theologians' controversies and schools of thought, *Readings in the History of Christian Theology* is an essential companion to the study of church history and historical theology. Excerpts are preceded by the editors' introductions, allowing the book to stand alone as a coherent history. This revised edition expands the work's scope with the addition of many new texts, especially those from the voices of women and others who have been marginalized from the theological tradition. This valuable resource brings together the writings of major theologians from the church's history for a new generation of students.

**Classical Christian Doctrine** Ronald E. Heine, 2013-03-15

This clear and concise text helps readers grasp the doctrines of the Christian faith considered basic from the earliest days of Christianity. Ronald Heine, an internationally known expert on early Christian theology, developed this book from a course he teaches that has been refined through many years of classroom experience. Heine primarily uses the classical Christian doctrines of the Nicene Creed to guide students into the essentials of the faith. This broadly ecumenical work will interest students of church history or theology as well as adult Christian education classes in church settings. Sidebars identify major personalities and concepts, and each chapter concludes with discussion questions and suggestions for further reading.

**A History of Christian Theology** William Carl Placher, 1983-01-01

This intellectual history, a story of people and their ideas, is a delight to read. I predict it will be widely used not only in colleges and seminaries but also in lay institutes and study groups.

John D. Godsey in *The Christian Century*

**Evangelical Theology, Second Edition** Michael F. Bird, 2020-10-20

*Gospel-Centered Theology for Today*. Evangelical Theology, Second Edition, helps today's readers understand and practice the doctrines of the Christian faith by presenting a gospel-centered theology that is accessible, rigorous, and balanced. According to author Michael Bird, the gospel is the fulcrum of Christian doctrine; the gospel is where God meets us and where we introduce the world to God. And as such, an authentically evangelical theology is the working out of the gospel in the various doctrines of Christian theology. The text helps readers learn the essentials of Christian theology through several key features, including:

- A "What to Take Home" section at the end of every part that gives readers a run-down on all the important things they need to know.
- Tables, sidebars, and questions for discussion to help reinforce key ideas and concepts.
- A "Comic Belief" section since reading theology can often be dry and cerebral, so that readers enjoy their learning experience through some theological humor added for good measure.

Now in its second edition, *Evangelical Theology* has proven itself in classrooms around the world as a resource that helps readers not only understand the vital doctrines of Christian theology but one that shows them how the gospel

should shape how they think pray preach teach and minister in the world      *Essential Christian Doctrine* John MacArthur, 2021-03-03 A Concise Summary of Biblical Truth by John MacArthur Doctrine not only equips you with more knowledge about God it also shapes your affections toward him and directs your actions for him but it can be difficult to know where to begin This concise handbook developed from John MacArthur's larger work *Biblical Doctrine* is an entry point for studying theological topics such as the Bible the Holy Spirit the church and more As MacArthur walks through the essentials of the Christian faith doctrine by doctrine he'll not only encourage your heart and mind but also empower you to proclaim the faith that was once for all delivered to the saints Jude 3
