Lee,Philip T.

Kotler, 2006-10-16 Marketing in the Public Sector is a groundbreaking book written exclusively for governmental agencies. It offers dozens of marketing success stories from agencies of all types from around the world so that you can make a difference in your organization. World renowned marketing expert Dr. Philip Kotler and social marketing consultant Nancy Lee show that marketing is far more than communications and has at its core a citizen oriented mindset. You'll become familiar with the marketing toolbox and come to understand how these tools can be used to engender citizen support for your agency, increase utilization of your products and services, influence positive public behaviors, even increase revenues and decrease operating costs. This book offers no nonsense roadmaps on how to create a strong brand identity, gather citizen input and evaluate your efforts. It presents a step by step model for developing a marketing plan, pulling the lessons of the entire book together into one high impact action plan. Simply put, this book empowers you to build the high tech, high touch agency of the future and deliver more value for every penny you spend. Fire Engineering's Handbook for Firefighter I and II Glenn P. Corbett, 2009 Corbett, technical editor of Fire Engineering magazine, has assembled more than 40 accomplished fire service professionals to compile one of the most authoritative, comprehensive and up to date basics book for Firefighter I and II classes. Responding to Psychological Emergencies Jeffrey A. Thomas, S. Joseph Woodall, 2006 Field Guide for Psychological Emergencies is a quick reference source for rapid intervention and mitigation of psychologically based field emergencies. The guide provides a user friendly, cross referenced, pragmatic reference guide to a variety of psychological maladies that are encountered by emergency services personnel and a variety of other public service professionals. The field guide provides the user with a quick, easy to use source that offers pertinent information that is required to successfully mitigate incidents involving people suffering from mental disorders. The field guide will be used as a supplement to the main texts used to cover Module 4 Medical Emergencies, which addresses behavioral emergencies at the EMT Basic level, and the content in Module 6 Special Considerations of the DOT National Standard Curriculum. This module covers Pediatrics, Geriatrics, Abuse and Neglect, and Patients with Special Challenges. Field Guide for Psychological Emergencies will cover content necessary to address the section on Patients with Special Challenges. In addition to supplementing the core textbook used to cover behavioral emergencies in the EMT Basic courses and Patients with Special Challenges at the Paramedic level, this field guide is designed to be used in the field as a quick reference for EMTs and Paramedics as they encounter psychological emergencies. **Reach for the Firefighter Badge!** Steve

Prziborowski,2013-11-12 This book is intended to take over from where my first firefighter preparation book The Future Firefighter s Preparation Guide left off That book was intended on providing the future firefighter with a road map of what to do when starting out the journey to becoming a firefighter This book is intended to provide more focus on what to expect and more importantly how to be successful at the firefighter testing process which can vary from department to department This book will help future firefighters by providing a road map of how to best navigate the firefighter testing process so that they are successful in obtaining a position in the best career I am so fortunate to be a part of a career in the fire service If you have prepared for the position of firefighter by doing many of the things I suggested in The Future Firefighter s Preparation Guide and follow the suggestions within this book your chances for success will greatly increase **Essentials of Production and Operations Management** Ehud Menipaz,1984 **Firefighter's Handbook** ,2004 Contains an illustrated guide to firefighting and includes information on hazardous materials terrorism and the requirements for passing the Firefighter I and II and complies with the 2002 standards for firefighting professionals *Essentials of Fire Fighting* John D.
