[Monasticism](#) Jane Fitz-Gibbon,Andrew Fitz-Gibbon,2012-09 Like an underground river the monastic tradition keeps on resurging in a host of unexpected times and places Secular Monasticism A Journey describes one of its most recent incarnations The founders and members of the Lindisfarne Community share with us their bold attempt to be a secular monastic religious order open to the exigencies of the contemporary world Age old wisdom once again reveals its perennial relevance in helping us learn how to be followers of Christ in God s today Brother John Taiz In the first five pages I thought of ten people I know who should read this book young people old people all people tired of taken for granted spirituality Devour this book Let it help you dream up a way of joining or creating a micro community of prayer and action that frees you to experiment in following the ways of Christ That s what these folks have done This story helps us imagine ourselves out of the boxes and buildings Christianity has become The Rev Dr Dori Baker Scholar in Residence The Fund for Theological Education Lindisfarne Community has graciously accepted God s call to dance with the radical and sometimes wearying changes of our time Like the Celts they find meaning in their ongoing spiritual evolution through poetry and story through a willingness to navigate the waters of the soul while remaining fiercely loyal to the good earth that bore us and nurtures us Like the Celts this family of secular monastics hungers more for mystical union with the Divine Mystery than for any trappings of earthly renown or success Carl McColman author and blogger from the foreword [The Routledge](#)

tradition into the twenty first century Sister Joan leans into Saint Benedict who as a young man in the sixth century sought moral integrity in the face of an empire not by conquering or overpowering the empire but by simply living an ordinary life extraordinarily well This same monastic mindset can help us grow in wisdom equanimity and strength of soul as we seek restoration and renewal both at home and in the world At a time when people around the world are bearing witness to human frailty and simultaneously the endurance of the human spirit The Monastic Heart invites readers of all walks to welcome this end of certainty and embrace a new beginning of our faith Without stepping foot in a monastery we can become like those before us a deeper freer self a richer soul and as a result a true monastic so that in all things God may be glorified
