## **Essentials Of Sociology A Down To Earth Approach 9th Edition:**

Essentials of Sociology James M. Henslin, 2010 *Essentials of Sociology A Down to Earth Approach* is heralded by students and instructors alike as the most friendly and inviting introduction to sociology available. James Henslin guides students on an intellectual voyage through the sociological imagination, helping them better understand both themselves and their world. With humor, personal reflection, and illuminating examples, he shares with readers his passion for sociology. Six central themes run throughout the text: down to earth sociology, globalization, cultural diversity, critical thinking, the new technology, and the influence of mass media on everyday life. Each of these themes is reflected in the central narrative in boxed features throughout the text, and in MySocLab. *Essentials of Sociology A Down to Earth Approach* 9th edition is the first edition of Henslin's to feature integration with MySocLab. MySocLab now features diagnostic quizzing, Social Explorer activities, The Way We Live video activities, links to The Social Lens blog, and over 100 primary source readings.

Henslin, 2018-02-20 *Essentials of Sociology* James M. Henslin, 2000 This introductory text offers a dual emphasis on individual and structural sociology, as well as emphasizing culture, everyday life, and a use of down to earth examples. Each chapter ends with a question and answer review. A companion website with an online study guide is available. *The Sacred Project of American Sociology* Christian Smith, 2014-07-03 *The Sacred Project of American Sociology* shows counterintuitively that the secular enterprise that everyday sociology appears to be pursuing is actually not what is really going on at sociology's deepest level. Sociology today is in fact animated by sacred impulses driven by sacred commitments and serves a sacred project. This book reasserts a vision for what sociology is most important for in contrast with its current commitments and calls sociologists back to a more honest, fair, and healthy vision of its purpose.

**Essentials of Sociology: A Down-to-Earth Approach** James M. Henslin, 2013-10-03 *A Down to Earth Approach* James Henslin shares the excitement of sociology. With his acclaimed down to earth approach and personal writing style, the author highlights the sociology of everyday life and its relevance to students' lives. With wit, personal reflection, and illuminating

examples Henslin shares with readers his passion for sociology In addition to this trademark down to earth approach other distinctive features include comparative perspectives the globalization of capitalism and visual presentations of sociology Teaching relevant theories are discussed in each chapter Understand Diversity Global national and personal material combine to present a complete view of the world Support Instructors New Integrated Test Bank written activities and assessment in MySocLab engage students and help them succeed

*Down to Earth Sociology: 14th Edition* James M. Henslin, 1981-02-01 For thirty five years and through thirteen editions Jim Henslin's *Down to Earth Sociology* has opened new windows onto the social realities that shape our world Now in its fourteenth edition the most popular anthology in sociology includes new articles on our changing world while also retaining its classic must read essays Focusing on social interaction in everyday life the forty six selections bring students face to face with the twin projects of contemporary sociology understanding the individual's experience of society and analyzing social structure The fourteenth edition's exceptional new readings include selections on the role of sympathy in everyday life mistaken perceptions of the American family the effects of a criminal record on getting a job and the major social trends affecting our future Together with these essential new articles the selections by Peter Berger Herbert Gans Erving Goffman Donna Eder Zella Luria C Wright Mills Deborah Tannen Barrie Thorne Sidney Katz Philip Zimbardo and many others provide firsthand reporting that gives students a sense of being there Henslin also explains basic methods of social research providing insight into how sociologists explore the social world The selections in *Down to Earth Sociology* highlight the most significant themes of contemporary sociology ranging from the sociology of gender power politics and religion to the contemporary crises of racial tension crime rape poverty and homelessness

*Sociology* Jessica Herrmeyer, James M. Henslin, 2009-11-23

**Sociology and Catholic Social Teaching** Stephen R. Sharkey, 2012-08-31 *Sociology and Catholic Social Teaching* Contemporary Theory and Research contains essays by key scholars in the territory where Catholic social thought and secular sociology meet and offers a much needed alternative to the relativism and individualism that so often characterize social scientific analysis today Contributors to this volume argue that Catholic social teaching as articulated so powerfully today in recent papal encyclicals and major summations such as the *Compendium of the Social Doctrine of the Church* offers a powerful moral framework for addressing today's pressing social problems This is especially true since many of its tenets find solid

support in social scientific research on the nature of the person and the workings of culture and social institutions Sponsored by the Society of Catholic Social Scientists and including work by sociologists from both the Society and the Pontifical Academy of Social Sciences this volume is offered in the spirit of Pope John Paul II s exhortation to draw from contemporary social science whatever can help the Church better understand contemporary social issues and trends and thus better serve humanity Specific articles address such topics as the Church as a virtual nation in the international arena changing cultural norms regarding deviance the historical and contemporary relationship between Catholicism and mainstream academic sociology empirical support for a natural law perspective on family relations the social psychology of happiness and moral behavior among emerging adults the sociology of knowledge from a distinctively Catholic perspective and how the principles of subsidiarity and solidarity can be used to analyze and evaluate the functioning of institutions like the family education and the state Each author also offers some autobiographical reflections on how they relate sociology and their life of Faith This anthology will interest scholars in both sociology and Catholic social thought as well as advanced undergraduate and graduate students in these areas
