Hakes, 2004 **Event-Driven Mobile Financial Information Services** Jan Muntermann, 2007-12-20 Jan Muntermann presents an intraday event study that is conducted within the German capital market and provides evidence that investors could exploit intraday stock price effects following critical market events He then develops the concept for a corresponding mobile decision support system that assists investors in identifying those events Based on the design science research paradigm he uses this concept in the design of a novel mobile decision support system which can provide ubiquitous information access to private investors **Online Course Pack** John Sloman, 2004-08-01 This Multipack consists of Sloman Essentials of Economics 3e ISBN 0273683829 and access to the Sloman OneKey online resources This text is designed with one overriding aim to make this exciting and highly relevant subject clear accessible and easy to understand It puts economics in the context of the real world bringing the subject alive and giving students an insight into the economy in which we live and the economic forces that shape our lives Essentials of Economics 3 e is an abridged version of John Sloman's main text Economics 5 e Some passages have been directly transcribed while others have been extensively rewritten in order to provide a consistent coverage of only the core principles of economics and their applications The book is about half the length of the parent text The third edition of this highly regarded and successful text retains many of the features of the second but has also been extensively updated to reflect changes and address new and contemporary issues It also includes some important new learning features *Essentials of Economics* John Sloman, Dean Garratt, 2010 Just like the economy Essentials of Economics the market leading concise text in introductory economics has also been through a thorough overhaul While retaining its classic features and clear and engaging writing style it has many new features including a new co author extensive re write of the macroeconomic chapters strengthened theoretical coverage and over 30 revised shorter new boxes Go to www.myeconlab.com your gateway to all the online resources for this new edition including A new regularly updated economics in the news blog with accompanying podcasts A new edition of MyEconLab Redeem your access code included with this textbook to gain access to an unrivalled online study and testing resource providing you with personalised practice exactly where you need it most See inside the book for more details Online Course Pack John Sloman, 2004-08-01 This Multipack consists of Sloman Essentials of Economics 3e ISBN 0273683829 and access to the Sloman OneKey online resources This text is designed with one overriding aim to make this exciting and highly relevant subject clear accessible and easy to understand It puts economics in the context of the real world bringing the subject alive and giving students an insight into the economy in which we live and the economic forces that shape our lives Essentials of Economics 3 e is an abridged

version of John Sloman's main text *Economics* 5e. Some passages have been directly transcribed while others have been extensively rewritten in order to provide a consistent coverage of only the core principles of economics and their applications. The book is about half the length of the parent text. The third edition of this highly regarded and successful text retains many of the features of the second but has also been extensively updated to reflect changes and address new and contemporary issues. It also includes some important new learning features.

Microeconomics Brief Edition Campbell R. McConnell, Sean Masaki Flynn, Dr., Stanley L. Brue, 2012-02-10. McConnell, Brue and Flynn's *Microeconomics Brief Edition* 2e comes from the same author team as the market leading *Principles of Economics* textbook. *Microeconomics Brief Edition* tailors the core concepts from proven leader *Microeconomics* 19th edition to create a concise introduction to the course that is distinct in purpose, style, and coverage. Like the 19th edition, *Microeconomics Brief Edition* 2e continues to be innovative while teaching students in a clear, unbiased way. Content and pedagogy have 3 main goals: help the beginning student master the principles essential for understanding the economizing problem; specific economic issues and the policy alternatives help the student understand and apply the economic perspective and reason accurately and objectively about economic matters; and promote a lasting student interest in economics and the economy. Connect is the only integrated learning system that empowers students by continuously adapting to deliver precisely what they need when they need it and how they need it so that your class time is more engaging and effective.
