Houghton Mifflin Reading David J. Cooper,2003    Teaching Early Literacy Diane M. Barone,Marla H. Mallette,Shelley Hong Xu,2017-02-13 Grounded in cutting edge theory and research about literacy development this book is filled with practical assessment and instructional ideas for teachers of pre K through grade 3 Engaging vignettes show how everyday conversations and activities offer rich opportunities both for evaluating children s current level of knowledge and for helping them progress toward more sophisticated and rewarding interactions with reading and writing Throughout the book highlights ways to work effectively with English language learners and their families a theme that is the exclusive focus of two chapters Other timely topics covered include creative uses of technology and ways to incorporate popular culture into the classroom Over two dozen reproducible assessment tools and handouts enhance the utility of this volume as an instructional resource professional development tool or graduate level text    *Popular Educator* ,1911    *Resources in Education* ,1999-10    **Index to 35mm Educational Filmstrips** ,1975    *Handbook of Early Literacy Research* Susan B. Neuman,David K. Dickinson,2011-10-10 The field of early literacy has seen significant recent advances in theory research and practice These volumes bring together leading authorities to report on current findings integrate insights from different disciplinary perspectives and explore ways to provide children with the strongest possible literacy foundations in the first 6 years of life The Handbook first addresses broad questions about the nature of emergent literacy summarizing current knowledge on cognitive pathways biological underpinnings and the importance of cultural contexts Chapters in subsequent sections examine various strands of knowledge and skills that emerge as children become literate as well as the role played by experiences with peers and families Particular attention is devoted to the challenges involved in making schools work for all children including members of linguistic and ethnic minority groups and children living in poverty Finally approaches to instruction assessment and early intervention are described and up to date research on their effectiveness is presented    *Catalog of Copyright Entries.
