**Emotional Intelligence** David Morales, 2017-04-09. Emotional Intelligence: How To Improve Your Emotions And Self Awareness. An Ultimate Guide To EQ Mastery. Do you often react in ways that you regret later? Do you find it almost impossible for you to control your emotional reactions to different stimuli, whether good or bad? Well, the truth is, even during good times, it is not always that we want to show our excitement to others. Think about it: you don't want to look overly excited when you are about to win a game of poker, do you? The same applies to undesirable emotions. If you have angry outbursts at the slightest provocation, break down into tears when faced with challenges, and have a hard time dealing with challenging situations such that you snap at people regularly, you need to do something about it. This something is what we refer to as building emotional intelligence, and this book will show you exactly how to go about it. In this book, you will discover what emotional intelligence is and how to build your emotional intelligence so that you stop following where your emotions lead you to. Instead, you will be the one in charge of your emotions such that you react in whichever way you want effortlessly. More precisely, this book will teach you the following: What emotional intelligence is and what it entails. Why you need emotional intelligence. The components of emotional intelligence. A step-by-step formula that will help you develop emotional intelligence. How to understand other people's emotions to enhance your social skills. And much, much more. **Emotional Intelligence** Michael Garron, 2018-06-02. People must understand what they are feeling while having plans for managing their emotions in the smartest way possible.

The challenges involved in keeping emotions under control can be frustrating but they are points that have to be reviewed appropriately. It is even more important for people to know how they can develop their emotions and make them work to their advantage in the workplace. It takes a great deal of effort for someone to build the skills needed in the workplace to complete various tasks and to be more productive. Even the most talented and knowledgeable person in the world will not be capable of handling certain tasks if they do not have the emotional intelligence needed to handle certain situations in life. Those who have a high emotional intelligence will understand and recognize the needs that people have in a workplace. This includes knowing how to identify what people are feeling and the attitudes that they hold in any situation. By working with a good emotional intelligence it becomes easier for a person to thrive and succeed. The best part is that emotional intelligence can develop over time to provide a person with an improved standard of living. This guide offers information on what people can do to acquire the skills they need to be capable of handling their emotions and getting the most out of their work. The information in this guide includes details on what can be done to manage different emotions and how to keep them from being problematic. Topics: The Key Abilities of Emotional Intelligence, How Can a Person Develop EQ, Reading Body Language by Emotion, Managing Self-awareness, Managing Relationships, Building Empathy, Conflict Management, Collaboration, Managing Conversations, Building Accountability, And Various Other Topics. **Emotional Agility and Emotional**
