Instagram Book Club Readers Choice:

Literature and Social Media Bronwen Thomas, 2020-01-31 From Instapoetry to BookTube contemporary literary cultures and practices are increasingly intertwined with social media In this lively and wide ranging study Bronwen Thomas explores how social media provides new ways of connecting with and rediscovering established literary works and authors while also facilitating the emergence of unique and distinctive forms of creative expression The book takes a 360 approach to the subject combining analysis of current forms and practices with an examination of how social media fosters ongoing collaborative discourse amongst both informal and formal literary networks and demonstrating how the participatory practices of social media have the potential to radically transform how literature is produced shared and circulated The first study of its kind to focus specifically on social media Literature and Social Media provides a timely and engaging account of the state of the art while interrogating the rhetoric that so often accompanies discussion of the new in this context **Social**

Reading Cultures on BookTube, Bookstagram, and BookTok Bronwyn Reddan, Leonie Rutherford, Amy Schoonens, Michael Dezuanni, 2024-04-30 This book examines the reading cultures developed by communities of readers and book lovers on BookTube Bookstagram and BookTok as an increasingly important influence on contemporary book and literary culture It explores how the affordances of social media platforms invite readers to participate in social reading communities and engage in creative and curatorial practices that express their identity as readers and book lovers The interdisciplinary team of authors argue that by creating new opportunities for readers to engage in social reading practices bookish social media has elevated the agency and visibility of readers and book consumers within literary culture It has also reshaped the cultural and economic dynamics of book recommendations by creating a space in which different actors are able to form an identity as mediators of reading culture Concise and accessible this introduction to an increasingly central set of literary practices is essential reading for students and scholars of literature sociology media and cultural studies as well as teachers and professionals in the book and library industries **Publishing is Broken, but it Doesn't Have to**
