**Parent's Quick Start Guide to Dyslexia** James W. Forgan, Noelle Balsamo, 2023-07-28 Parent's Quick Start Guide to Dyslexia provides parents and caregivers with an immediate overview of dyslexia and steps they can take to support and encourage their child. Each chapter is packed with detailed and helpful information covering identification, public schools versus private settings, and how and when to seek professional help. Summary and resource sections at the end of each chapter give quick guidance to busy readers. Topics include a wealth of research-backed activities nurturing talent and creativity, motivating your child to read, and more. Offering straightforward, easy-to-understand and evidence-based information, this book is a go-to resource for caregivers parenting a child with dyslexia. *A Quick Guide to Special Needs and Disabilities* Bob Bates, 2016-11-08 A Quick Guide to Special Needs is an easy go-to guide for busy teachers, SENCOs, practitioners, and anyone else who is interested in pragmatic solutions to the challenges of teaching children and young people with additional needs. Detailing over 60 conditions which cause people to have additional needs, Bob Bates helps you broaden your understanding of different physical, neurological, psychological, and developmental needs with accessible, bite-sized explanations of the conditions, best practice approaches to working with these learners, and how to apply them to your everyday teaching. Each individual need is explained over a 2-page spread, and every entry includes case studies encouraging you to reflect on real-life situations to understand the impact each condition has on people and how they and their parents deal with it. Do it steps offering a simple step-by-step approach that you can follow in order to meet additional needs arising out of these conditions. Important steps for the classroom, specifically for teachers to use. Recommended reading, suggesting books, articles, and websites where further information on specific conditions are available. Whether you're a newly qualified or experienced teacher or simply want to further your understanding on the vast variety of individual needs, this guide is the ideal dip-in, dip-out reference point for SEND. Also from Bob Bates Educational Leadership Simplified Learning Theories Simplified *Teaching English Language Learners K-12* Jerry Jesness, 2014-11-18 Bring the English language to life with this valuable new resource. Some say that learning a second language is like drinking water from a fire hose. But teaching it does not have to be like standing under Niagara Falls. This is the fundamental message of Jerry Jesness' new quick start guide *Teaching English Language Learners K-12*. In our climate, ELL teachers face immense demands as educators because the ELL class is often the critical transitional step into a student's entire education. The author provides specific strategies to address the special challenges for instructors. This valuable resource offers a terrific framework to nurture that motivating spark in English Language learners. For ELL educators, it's more than a job; it's a mission. *Teaching English Language Learners K-12* includes customizing instructions to create developmentally and culturally appropriate lessons for all learners. Comprehensive vocabulary checklists for common English words and concepts. Practical methods for using the learner's native language and culture in the classroom.
