Narcissistic Leadership Manfred F. R. Kets de Vries, 2025-03-04 Narcissism has become a contemporary pandemic that seems to have been normalized accepted and even celebrated both in society at large and by some of our political and business leaders In this book world renowned psychology and leadership thinker Manfred Kets de Vries explains this modern phenomenon and imagines how you would help the narcissist on the notional coach's couch Consumerism competitive urges individualism and identity politics are examples of how our present day culture has reinforced the self glorification that drives narcissism this cult of the self Although a healthy competitive spirit is part of human nature for narcissistic people it can turn into an all consuming character trait They view the world almost exclusively in terms of winners and losers and to lose is unacceptable Unfortunately social media seems to provide ample opportunities to magnify the competitive or narcissistic disposition present in all of us Starting with an in depth discussion of the ancient myth of Narcissus the various shapes in which narcissism expresses itself are highlighted Subsequently taking individual and group perspectives various strategies for how to manage narcissistic people are explored Using case examples of interpersonal and group approaches to change concepts such as the working alliance the emotional seesaw the grey rock approach boundary management Socratic questioning the sandwich tactic and the need to be empathic are introduced Also referring to change in a group setting the importance of the psychological dynamics of the group as a whole is presented Narcissistic Leadership offers a unique and original approach to exploring the ramifications of narcissistic leadership and will be of interest to the general reader as well as the key audiences of organizational leaders psychoanalysts coaches psychotherapists sociologists and social psychologists

The Hashtag Hustle Taylor Annabell, Christian Fieseler, Catalina Goanta, Isabelle Wildhaber, 2025-01-09 This is an open access title available under the terms of a CC BY NC ND 4.0 License It is free to read download and share on Elgaronline.com This timely book sheds light on the cultural economic and legal aspects of content creation as a form of labour investigating concerns over working conditions worker protection and the status of the working relationship Chapters written by leading experts in the field explore two opposing yet complementary sides of work labour as an invisible and underappreciated effort made by influencers and labour as an economic enterprise [Influencers, Online Alliances and Reconciliation in Southeast Europe](#) Ivana Stepanovic, 2024-12-09 This book explores the transformative role of social media in fostering reconciliation in the former Yugoslavia a region still grappling with unresolved conflicts and ethnic divides Focusing on platforms like YouTube and TikTok it highlights how Balkan influencers blend personal storytelling with commercial outreach to promote interethnic understanding The study employs digital ethnography and narrative analysis to reveal the intricate dynamics between human actors and algorithms uncovering how social media facilitate grassroots reconciliation initiatives The author critiques traditional reconciliation efforts driven by political elites and emphasises the potential of bottom up approaches enabled by social media It presents the concept of algorithmic reconciliation where social

media algorithms inadvertently foster interethnic collaborations and create transnational online communities By examining the economic and cultural practices of influencers the book illustrates how digital platforms can serve as modern arenas for peacebuilding This book is primarily aimed at undergraduates and postgraduates in social history digital media studies and peace studies but will also be relevant to academics policymakers and anyone interested in the intersection of technology and social change

Management Aesthetics Michał Szostak, 2024-11-18 This edited collection presents the complex theory of kitsch from aesthetic and artistic points of view transposed into managerial and organisational fields In the spirit of management aesthetics on the ground of humanistic management the central aim of the volume is to show that kitsch is a common phenomenon not only in art and culture but also in management and its conscious perception and mindful use may be beneficial for achieving organisational and managerial goals efficiently Due to the diverse research problems covered by particular chapters no unified methodology is applied in the book every author applied an optimal method for the selected topic However due to the complex and metaphysical character of the kitsch phenomenon the only common fundament of all chapters is using the kitsch experience theory Szostak and Su kowski 2020 The dominant analytical approach is qualitative with extensive use of case studies comparative analyses and ethnographic focus Despite this some chapters also include the application of the quantitative approach for the hypotheses verification This book makes a giant step ahead of its competitors by implementing the kitsch theory especially the kitsch experience theory in a broad spectrum of managerial and organisational fields like marketing advertising brand management business communication entrepreneurship leadership decision making human resource management corporate social responsibility city space management management of technology and innovation and organisational culture It should be a must read for researchers academics practitioners and advanced students in these fields
