Trauma Heart Judy Crane, 2017-06-27 The majority of people addicted to substances or process addictions such as relationship disorders eating disorders self harming behaviors gambling or pornography are trauma survivors Many people caught in the web of addiction don't identify as trauma survivors until their personal familial intergenerational and in uterine history is exposed Unfortunately relapse is inevitable without trauma resolution that can only take place once their history is exposed It is only when that happens that the behavior disorders will finally make sense For almost 30 years Judy Crane has worked with clients and families who are in great pain due to destructive and dangerous behaviors Families often believe that their loved one must be bad or defective and the one struggling with the addiction not only believes it too but feels it to their core The truth is the whole family is embroiled in their own individual survival coping mechanisms the addicted member is often the red flag indicating that the whole family needs healing In The Trauma Heart Crane explores the many ways that life's events impact each member of the family She reveals the essence of trauma and addictions treatment through the stories art and assignments of former clients and the staff who worked with them offering a snapshot of their pain and healing **You Lied to Me About God** Jamie Marich, PHD, 2024-10-15 An intimate and important memoir of

deconstructing and reconstructing faith after abuse a spiritual memoir that does not shy away from abuse queerness or the multifaceted character of God Kirkus Reviews starred review A courageous vulnerable and spellbinding memoir that explores with visceral impact what happens when harm starts at home and is exalted as God's will For readers of Unfollow and Jesus Land Jamie Marich explores spiritual abuse intergenerational trauma and weaponized faith At nine years old Jamie Marich asked God to end it all Doing it herself would be an irrevocable sin an affront to the church and her father's God She prayed instead for the rapture an accident a passive death anything to stop the turmoil of feeling wrong wrong in her body wrong in her desires wrong in her faith in a merciful God that could love her wholly as she was You Lied to Me About God explores the

schisms that erupt when faith is weaponized when abuse collides with the push and pull of a mixed religious upbringing that tells you no matter which path you choose no matter what you know in your heart to be true you're probably damned. With resilience, strength, and gut-punching clarity, Marich takes readers through a tumultuous coming of age marked by addiction, escapism, spiritual manipulation, misogyny, and abuse. She shares with unflinching detail the complicity of her mother's silence and the lengths her father went to assert dominance and control over her body, her desires, her identity, and even her eternal soul for her own good, and with a side of televangelistic hellfire. Hitting a breaking point, Marich embarks on pilgrimage from shrines in Croatia to ashrams in Florida, she reckons with what it means to come home to a faith that heals and accepts her wholly as she is in her queerness in her body and in her deep relationship to an expansive and loving God.

The Trauma Survivor's Guide to Healing Travis Jessop, 2020-05-14 I understand the magnitude of damage left behind in the aftermath of trauma. Not only through my years of coaching trauma survivors but because I too am a survivor of unimaginable trauma. A few years ago I watched my 3-year-old son die in an auto accident just days after losing my Dad to cancer. Shortly after losing my son, I found myself homeless and beyond broke. I desperately needed help from somebody who not only understood trauma but had survived and HEALED after experiencing trauma. I needed help and I didn't know where else to turn. So I began weekly therapy sessions. After thousands of dollars and many years of meeting with different counselors, I was diagnosed with PTSD. The diagnosis was great at least now I had a name for the beast in my head, but I was still not feeling the peace I was desperately seeking. So I began my quest to heal from PTSD on my own so I could get control over my mind and emotions and create a new life for myself. My life after trauma. I know from personal experience that trauma can destroy everything you value. It can leave you broke mentally, financially, and spiritually. It destroys friendships and relationships. The very things you once placed so much value on no longer matter. After years of studying trauma and PTSD, I began to coach other trauma survivors and I discovered that we all seem to have a common theme in the way our brains and bodies react when they try to process the trauma and damage that has taken place. I made a promise to myself that when I had healed from trauma that I would help others heal from their traumas, so I created a simple step-by-step guide in the pages of this short book called **The Trauma Survivor's Guide To Healing**.

From Trauma to Healing Ann Goelitz, Abigail Stewart-Kahn, 2013 *From Trauma to Healing: A Social Worker's Guide for Working With Survivors* is the next significant publication on trauma in the field of social work. It does so in the practical guide format already proven to be compelling to social work students, educators, and practitioners, providing case examples and addressing social workers' unique ecological approach.
