Novel Booktube Recommendations:

Social Reading Cultures on BookTube, Bookstagram, and BookTok Bronwyn Reddan, Leonie Rutherford, Amy Schoonens, Michael Dezuanni, 2024-04-30 This book examines the reading cultures developed by communities of readers and book lovers on BookTube, Bookstagram, and BookTok as an increasingly important influence on contemporary book and literary culture. It explores how the affordances of social media platforms invite readers to participate in social reading communities and engage in creative and curatorial practices that express their identity as readers and book lovers. The interdisciplinary team of authors argue that by creating new opportunities for readers to engage in social reading practices, bookish social media has elevated the agency and visibility of readers and book consumers within literary culture. It has also reshaped the cultural and economic dynamics of book recommendations by creating a space in which different actors are able to form an identity as mediators of reading culture. Concise and accessible, this introduction to an increasingly central set of literary practices is essential reading for students and scholars of literature, sociology, media, and cultural studies, as well as teachers and professionals in the book and library industries.

How to Promote Your Book Jan Yager, 2023-01-18
Writing a great book is the easy part. Getting people to buy the book is wicked hard. Jan's book shows you what promotion to do so you increase the possibility that your book becomes a bestseller. Jeffrey Fox, bestselling author, *How to Become a Rainmaker*. Being an author is 50% creative and 50% promotion. Jan Yager's comprehensive and practical book, *How to Promote Your Book*, tells authors exactly what they need to know and do to promote their book. I'm recommending it to all the authors I know, including those whose books I share through my Bedside Reading program. Jane Ubell Meyer, CEO, Bedside Reading, former TV producer, *Good Morning America*, *Entertainment Tonight*, *WSJ TV*. Whether your book is being released through a commercial publisher or an academic press, or you are self-publishing it as the author, you can and should play a crucial role in getting your title seen, talked about, and sold. And while you may watch dozens of authors pitch their books on TV in social media and in bookstores, they represent only a fraction of the writers who come out with new books each year. What do they know that you don't? They know what to do to get attention for themselves and, more important, for their books, and as you will discover in book publishing veteran Jan Yager's *How to Promote Your Book*, you can too. The book is divided into three sections. Part One begins with a look at promotion basics. These include knowing what your book's marketplaces are, who your audience is, how the media is divided, the elements involved in publicity, and how to create an effective promotional timeline. Once you understand the basics, Part Two focuses on the ways to package and market yourself to the various book and media outlets. It discusses putting together professional-looking press releases and media kits. It also explains how to obtain endorsements and reviews, as well as how to generate speaking engagements and interviews with journalists, bloggers, and radio, TV, and podcast hosts. Part Three provides a plan that covers the first three months of an author's publicity program from the day the book is formally released through all the media events that have been lined up.

Throughout the book you will find insets that answer important questions such as What are the real costs involved and Should I promote myself or hire a publicists Just as important the author includes a valuable resource guide that provides the names addresses and links to many of the key places covered in the book Jan Yager has enjoyed a fabulous career as both a best selling author and a publisher She has been interviewed by many of the top shows on TV and radio In How to Promote Your Book she lets you in on what she has done both for herself and for her authors to open the door to effective publicity

Reads Yearly Reading Goals *I Didn't Mean to Be Kevin* Caleb J. Ross, 2013-12-08 Jackson Jacoby is a motherless twenty two year old boy with only the support of his crazy ex military Uncle Marve and a kindred motherless peer named Creg Creg holds fast to the hope of one day reuniting with his mother while Jackson maintains that his own life is so much better off without all the baggage that comes along with being somebody's son After finding a plea in a newspaper from a woman begging her runaway son Kevin Masons to return home Jackson takes the opportunity to prove to Creg that a mother is not necessary to be happy What begins as a drunken call to the mysterious mother leads to a cross country pilgrimage to attend the will reading of Kevin's recently deceased grandfather Along the way Jackson spreads tales of his participation in the human appendage trade the history of his missing ear and anything else that might validate his life the way he insists that a mother never could From I Didn't Mean to be Kevin My mother kicked me out when I was ten I slept on couches benches in ditches and did everything short of kill house pets in order to eat My uncle took me in during the worst of it but because I was alone for most of my life I never had the opportunity to know if what I was doing truly mattered Validation is a basic need in all of us If you don't get it as a kid you try getting it as a teenager If you don't get it as a teenager you try getting it as a twenty two year old deformed vagabond My uncle says I have nomadic roots but that implies roots of some kind I've never had roots I've never had a home life to point me where I needed to go I've never had a destination until recently **10**

Minutes 38 Seconds in This Strange World Elif Shafak, 2019-09-24 Shortlisted for the 2019 Booker Prize Named a Best Book of the Year by Bookpage NPR Washington Post and The Economist A moving novel on the power of friendship in our darkest times from internationally renowned writer and speaker Elif Shafak In the pulsating moments after she has been murdered and left in a dumpster outside Istanbul Tequila Leila enters a state of heightened awareness Her heart has stopped beating but her brain is still active for 10 minutes 38 seconds While the Turkish sun rises and her friends sleep soundly nearby she

remembers her life and the lives of others outcasts like her Tequila Leila s memories bring us back to her childhood in the provinces a highly oppressive milieu with religion and traditions shaped by a polygamous family with two mothers and an increasingly authoritarian father Escaping to Istanbul Leila makes her way into the sordid industry of sex trafficking finding a home in the city s historic Street of Brothels This is a dark violent world but Leila is tough and open to beauty light and the essential bonds of friendship In Tequila Leila s death the secrets and wonders of modern Istanbul come to life painted vividly by the captivating tales of how Leila came to know and be loved by her friends As her epic journey to the afterlife comes to an end it is her chosen family who brings her story to a buoyant and breathtaking conclusion
