**Paul, the Apostle of Satan** Daniel Jay Bjorndahl, 2021-09-05 A line by line Berean commentary which compares the teachings of Paul to the words of Yeshua and the law and the prophets      **What Makes Us Moral?** Craig Hovey, 2012-10-23 Is science all we need to make us moral In his recent book *The Moral Landscape* Sam Harris presents his vision of a world in which reason and science alone determine our values Here a leading Christian ethicist subjects this vision to a rigorous critique providing general readers with a clear concise and compelling expos of the most serious flaws in Harris's arguments

**Furious Minds** Laura K. Field, 2025-11-04 The story of the radical conservative intellectual movement shaping Donald Trump's agenda and how it threatens American freedoms values and democracy Donald Trump is not a big thinker but his 2016 presidential victory presented a grand opportunity for people who are and it set off a radicalization and reconfiguration of the American conservative intellectual world In *Furious Minds* Laura Field who spent close to a decade in conservative academic circles chronicles the rise of the New Right the network of academics public intellectuals and influencers who provide ideological fuel to Trumpism This movement includes figures such as Patrick Deneen Christopher Rufo Peter Thiel and JD Vance Their agenda is built to last and it has dire long term implications for liberal democracy The New Right has precedents in American history but it is distinct for its youthfulness misogyny and extraordinary successes most notably the elevation of Vance to the vice presidency The movement which draws together associates of the right wing Claremont Institute National Conservatives Postliberals and the Hard Right advocates nationalist economics tight borders isolationism and reactionary social values It helped to strategize January 6th and created Project 2025 But above all the New Right is engaged in a vast culture war against modern liberal pluralism It is determined to harness state power and use it in new illiberal ways from college campuses to the international scene all driven by the fantasy of restoring a pure America Incisive and urgent *Furious Minds* tells the story of the thinkers of the New Right and their powerful assault on American freedoms values and ideals      *Majority World Theologies* Allen Yeh, Tite Tienou, 2018-10-01 Theology to the Ends of the Earth and Back Again As Christianity's center of gravity has shifted to the Majority World many younger churches in Africa Asia and Latin America are now coming of age With this maturing comes the ability to theologize for themselves not simply to mimic what they have been taught from the West As theology is an attempt to articulate through human language culture and contexts the timeless truths of the eternal and transcendent God Majority World churches have much to offer the West and the world as they contribute to a greater understanding of God discipleship and mission Within this volume is an eclectic and fascinating sampling of theologizing from around the world diverse not just in context but in content dealing with everything from Christian education to engaging Buddhists with the gospel to engagement with Santería to contextualizing native dance As Christ's message has gone to the ends of the earth it has been received but also incorporated synthesized and rebirthed in new and exciting ways that will benefit us all wherever we live and serve      *Qualitative Research in Education* Marilyn

Lichtman,2012-01-17 Helping education students become savvy qualitative researchers Qualitative Research in Education A User s Guide Third Edition continues to bring together the essential elements of qualitative research including traditions and influences in the field and practical step by step coverage of each stage of the research process Synthesizing the best thinking on conducting qualitative research in education author Marilyn Lichtman uses a conversational writing style that draws readers into the excitement of the research process Real world examples provide both practical and theoretical information helping readers understand abstract ideas and apply them to their own research *West Virginia Law Review*
