From mid twentieth century films such as *Grand Hotel* *Waterloo Bridge* and *The Red Shoes* to recent box office hits including *Billy Elliot* *Save the Last Dance* and *The Company* ballet has found its way time and again onto the silver screen and into the hearts of many otherwise unlikely audiences In *Dying Swans and Madmen* Adrienne L McLean explores the curious pairing of classical and contemporary art and entertainment high culture and popular culture to reveal the ambivalent place that this art form occupies in American life Drawing on examples that range from musicals to tragic melodramas she shows how commercial films have produced an image of ballet and its artists that is associated both with joy fulfillment fame and power and with sexual and mental perversity melancholy and death Although ballet is still received by many with a lack of interest or outright suspicion McLean argues that these attitudes as well as ballet s popularity and its acceptability as a way of life and a profession have often depended on what audiences first learned about it from the movies
