**Engaño cultural** Jen Oshman, 2023-06-01 En Enga o cultural Jen Oshman invita a las lectoras a rechazar promesas vac as y destructivas de los dolos del mundo para acoger algo mucho m s valioso y nos proyecta una visi n para que las mujeres experimenten una verdadera esperanza y paz en Jes s invit ndolas a reconocer una identidad inquebrantable en l Este recurso ayudar a muchas mujeres a encontrar la libertad y el gozo explorando el dise o que Dios tiene para sus vidas In Cultural Counterfeits Jen Oshman encourages women to reject the empty destructive promises these idols offer and embrace something much more satisfying She casts a vision for women to experience real hope and peace in Jesus calling them to recognize their unshakable and eternal identities in him This timely and compelling resource will help women find freedom and joy as they explore God s good design and purpose for their lives

**The Other Rebellion** Eric Van Young, 2002-04-01 Mexico s movement toward independence from Spain was a key episode in the dissolution of the great Spanish Empire and its accompanying armed conflict arguably the first great war of decolonization in the nineteenth century This book argues that in addition to being a war of national liberation the struggle was also an internal war pitting classes and ethnic groups against each other an intensely localized struggle by rural people especially Indians for the preservation of their communities While local and national elites focused their energies on wresting power from colonial authorities and building a new nation state rural people were often much more concerned about keeping village identities and lifeways intact against the forces of state expansion commercialization and modernization Conventional wisdom says that Mexican independence was achieved through a cross class and cross ethnic alliance between creole ideologues military leaders and a mass following This book shows that this is not only an incomplete explanation of what went on in Mexico during the decade of armed confrontation

that led to Mexico's independence but also a distortion of Mexican social and cultural history. The author delves deeply into life histories previously unexamined: texts, statistical social profiling, and local historical ethnography to examine the dynamics of popular rebellion. He focuses especially on Mexico's Indian villages but also considers the role of parish priests as insurgent leaders, local conflicts over land, politics, and religious symbols, the influence of messianism and millenarianism in popular insurgent ideology, and the everyday language of political upheaval.
