## **Caravaggio The Artist And His Work:**

*Caravaggio* Sybille Ebert-Schifferer, 2012-06-05 The young Michelangelo Merisi da Caravaggio 1571 1610 created a major stir in late sixteenth century Rome with the groundbreaking naturalism and highly charged emotionalism of his paintings One might think given the vast number of books that have been written about him that everything that could possibly be said about the artist has been said However the author of this book argues it is important to take a fresh look at the often repeated and widely accepted narratives about the artist s life and work Sybille Ebert Schifferer subjects the available sources to a critical reevaluation uncovering evidence that the efforts of Caravaggio s contemporaries to disparage his character and his artwork often sprang from their own cultural biases or a desire to promote the artistic achievements of his rivals Contrary to repeated claims in the literature the painter lacked neither education nor piety but was an extremely accomplished technician who developed a successful marketing strategy He enjoyed great respect and earned high fees from his prestigious clients while he also inspired a large circle of imitators Even his brushes with the law conformed to the behavioral norms of the aristocratic Romans he sought to emulate The beautiful reproductions of Caravaggio s paintings in this volume make clear why he captivated the imagination of his contemporaries a reaction that echoes today in the ongoing popularity of his work and the fierce debate that it continues to provoke among art historians *Lives of Caravaggio* Giulio Mancini, Giovanni Baglione, Giovanni Pietro Bellori, 2019-10-29 A new title in the successful *Lives of the Artists* series which offers illuminating and often intimate accounts of iconic artists as viewed by their contemporaries The most notorious Italian painter of his day Michelangelo Merisi da Caravaggio 1571 1610 forever altered the course of Western painting with his artistic ingenuity and audacity This volume presents the most important early biographies of his life an account by his doctor Giulio Mancini another by one of his artistic rivals Giovanni Baglione and a later profile by Giovanni Pietro Bellori that demonstrates how Caravaggio s impact was felt in seventeenth century Italy Together these accounts have provided almost everything that is known of this enigmatic figure **Caravaggio** Lilian H. Zirpolo, 2023-04-05 Michelangelo Merisi da Caravaggio s life was turbulent and short He was only in his late thirties when he died and yet he managed to achieve tremendous artistic success A native of Caravaggio near Milan he was born in 1571 and moved to Rome after training with Simone Peterzano a pupil of Titian In the papal city his talent was recognized by the influential collector and art connoisseur Cardinal Francesco Maria del Monte who promoted his art Within a few years Caravaggio became one of the most sought after painters in Italy and abroad His style was so striking and unique that artists from all over adopted it as their own *Caravaggio A Reference Guide to His Life and Works* focuses on his life his works and legacy It features a chronology an introduction offers a brief account of his life a cross referenced dictionary section contains entries on his individual paintings public commissions his patrons his followers and the techniques he used in rendering his works **Caravaggio** Michelangelo Merisi da Caravaggio, 2006 This volume considers Caravaggio s revolutionary realism from a range of

perspectives presenting new avenues for research by a plurality of leading scholars First it advances our understanding of Caravaggio's relationship with the new science of observation championed by Galileo Second it examines afresh the theoretical nature and artistic means of Caravaggio's seemingly direct realism Third it extends the horizons of research on Caravaggio's complex intellectual and social milieu between high and low cultures Genevieve Warwick is Senior Lecturer in the Art History department at the University of Glasgow

**Caravaggio** John Varriano, 2010-11-01 In Caravaggio Varriano uncovers the principles and practices that guided Caravaggio's brush as he made some of the most controversial paintings in the history of art He sheds an important new light on these disputes by tracing the autobiographical threads in Caravaggio's paintings framing these within the context of contemporary Italian culture

**The Moment of Caravaggio** Michael Fried, 2023-10-17 A major reevaluation of Caravaggio from one of today's leading art historians This is a groundbreaking examination of one of the most important artists in the Western tradition by one of the leading art historians and critics of the past half century In his first extended consideration of the Italian Baroque painter Michelangelo Merisi da Caravaggio 1573-1610 Michael Fried offers a transformative account of the artist's revolutionary achievement Based on the A W Mellon Lectures in the Fine Arts delivered at the National Gallery of Art The Moment of Caravaggio displays Fried's unique combination of interpretive brilliance historical seriousness and theoretical sophistication providing sustained and unexpected readings of a wide range of major works from the early Boy Bitten by a Lizard to the late Martyrdom of Saint Ursula The result is an electrifying new perspective on a crucial episode in the history of European painting Focusing on the emergence of the full-blown gallery picture in Rome during the last decade of the sixteenth century and the first decades of the seventeenth Fried draws forth an expansive argument one that leads to a radically revisionist account of Caravaggio's relation to the self-portrait of the role of extreme violence in his art as epitomized by scenes of decapitation and of the deep structure of his epoch-defining realism Fried also gives considerable attention to the art of Caravaggio's great rival Annibale Carracci as well as to the work of Caravaggio's followers including Orazio and Artemisia Gentileschi Bartolomeo Manfredi and Valentin de Boulogne Please note All images in this ebook are presented in black and white and have been reduced in size

**Caravaggio** Francine Prose, 2005-10-04 Francine Prose's life of Caravaggio evokes the genius of this great artist through a brilliant reading of his paintings Caravaggio defied the aesthetic conventions of his time his use of ordinary people realistically portrayed street boys prostitutes the poor the aged was a profound and revolutionary innovation that left its mark on generations of artists His insistence on painting from nature on rendering the emotional truth of experience whether religious or secular makes him an artist who speaks across the centuries to our own time Born in 1571 near Milan Michelangelo Merisi da Caravaggio moved to Rome when he was twenty-one years old He became a brilliant and successful artist protected by the influential Cardinal del Monte and other patrons But he was also a man of the streets who couldn't seem to free himself from its brawls and vendettas In 1606 he fled Rome apparently after killing another man in a dispute He

spent his last years in exile in Naples Malta and Sicily at once celebrated for his art and tormented by his enemies Through it all he produced masterpieces of astonishing complexity and power Eventually he received a pardon from the Pope only to die in mysterious circumstances on the way back to Rome in 1610 Francine Prose presents the brief but tumultuous life of one of the greatest of all painters with passion and acute sensitivity

**The Age of Caravaggio** Metropolitan Museum of Art (New York, N.Y.), 1985 *Caravaggio, 1571-1610* Gilles Lambert, Michelangelo Merisi da Caravaggio, 2000 Notorious bad boy of Italian Baroque painting Caravaggio 1571 1610 is finally getting the recognition he deserves Though his name may be familiar to all of us his work has been habitually detested and forced into obscurity Not only was his theatrical realism unfashionable in his time but his sacrilegious subject matter and use of lower class models were violently scorned Michelangelo Mirisi de Caravaggio lived a life riddled with crime and scandal producing a body of work that wouldn't be appreciated until centuries after his mysterious death Though his body was never found he is assumed to have been murdered by ruffians on a beach south of Rome a fate strangely similar to that of controversial Italian director Pier Paolo Pasolini who was like Caravaggio a homosexual Caravaggio's reputation was decidedly poor during his lifetime sometimes rich sometimes penniless when he wasn't in prison he was running away from the police or his enemies Perhaps no other painter has suffered such injustice his works were often attributed to more respected painters while he was given the credit for just about anything vulgar painted in the chiaroscuro style Caravaggio's great work had the misfortune of enduring centuries of disrepute It wasn't until the end of the 19th century that he was rediscovered and quite posthumously deemed a great master
