**Captivating Revised and Updated** John Eldredge, Stasi Eldredge, 2011-04-18 Sometime between the dreams of your youth and yesterday's to do list something precious has been lost your priceless femininity God has set within you a femininity that is powerful tender and fierce No doubt it has been misunderstood but it is there and it is worth recovering In this updated and expanded edition of their runaway bestseller John and Stasi Eldredge vulnerably share their story and show you how to set your heart free and embrace life as a woman who is truly captivating The mystery of the feminine heart was meant to be a good thing a source of joy But all too often it becomes a source of shame We almost universally feel that we are too much or not enough This book combines timeless scripture with honest heartfelt stories from women who have been there too giving you the encouragement you need to Discover the glorious design of women that God originally intended Understand how Jesus restores the feminine heart Heal the trauma in your story Embrace the inherent power freedom and beauty that you already possess As we grow older and our dreams are slowly pushed aside we're told that we have to settle for a life of efficiency and performance striving to be the women we're told that we ought to be and still feeling like we're failing But it doesn't have to be this way Let Captivating help you discover the woman you were meant to be **Rape**

Valiant or Virtuous? Suzanne McCarthy,2019-06-27 This book explores a systematic bias in translating the Bible and in interpreting its teachings which suggests that men are inherently suited to be leaders in the home church and community while it is God s plan for women to submit to men s leadership This erroneous understanding of the Bible has been promoted by certain influential evangelical Christian leaders in order to push back the growing influence of feminist attitudes the expansion of women s leadership roles and the increase in egalitarian relationships among evangelicals in English speaking North America Written in a down to earth engaging way this book will appeal to young women searching the Bible for guidance on women s roles in relationships and in the church It highlights the dynamic roles played by women in the narratives of Old and New Testament and in the work of Bible translation Built on a solid framework of biblical and linguistic scholarship this book will also be of interest to Bible scholars and to anyone seeking a deeper understanding of what the Bible actually says in its original languages      *The Vampire Companion* Katherine M.
