### **Viral TikTok International Bestseller:**

*30 Shining Stars of the World 2022* Prachi Gupta, 2022-08-14 A book featuring the success stories of 30 great leaders from across the 7 continents and 20 countries who are not only shining their light in their respective fields but giving back to society as well. The stories talk about success, failure, not giving up, and second chances. It motivates the youth to never be discouraged by hurdles or roadblocks. Every human being goes through hardships in life, and the 30 participants who are now the pioneers of their fields and shining bright in their country once had a struggle story too. It's through the hard path that one becomes a star reaching the top. It's not only a book but an inspiration for the world. Different nations, different ideas, and different dreams weaved together in a unique book. **Cookbook Popular Focus** Everett Langford, AI, 2025-02-19

*Cookbook Popular Focus* explores the enduring significance of cookbooks in our digital age, arguing they are more than just recipe books; they are cultural artifacts reflecting dietary trends, culinary trends, and societal values. The book examines how these publications have maintained their market relevance amidst online competition, with insights into how they have adapted to and influenced contemporary food culture. From historical household manuals to diverse culinary guides, cookbooks offer a curated experience that contrasts with the overwhelming nature of online recipes. The book progresses systematically, first establishing the cookbook's cultural and economic importance, then delving into the impact of dietary movements like veganism and gluten-free eating on cookbook content. It also analyzes the globalization of cuisine within cookbooks, considering issues of authenticity and cultural appropriation. For example, cookbooks provide tangible, curated content offering a sense of authority while also showcasing how international cuisine is adapted for Western audiences. Ultimately, *Cookbook Popular Focus* emphasizes the cookbook's resilience and adaptability. It offers valuable insights for food enthusiasts, culinary students, and anyone interested in the cultural history of food writing and the publishing industry, highlighting the cookbook's ongoing role in shaping culinary practices. *The Meaning of Myth in Uncertain Times* Evelien Bracke, 2025-12-29 This book examines how ancient mythology forms part of the stories we tell ourselves about today's uncertain times, not only in popular culture but also in sociocultural and political debates. It particularly explores the ways in which classical myths shape how our modern, secular societies think about the interconnected geopolitical, technological, and ecological issues we are facing and our potential futures. Classical myths like those of Achilles, Medea, and Odysseus are everywhere, from films and novels to social media and games. But how and why are we still fascinated with them, particularly now? Can these strange and often painful stories from societies so radically different from our own offer us genuine insights today? This expanded English edition of Evelien Bracke's award-winning Dutch book *Leidraad door het labyrint* explores how and why Greek and Roman myths, despite their ancient origins, are surprisingly meaningful in these times of uncertainty. Bracke offers a contextualization and literary analysis of classical mythology, looking at both texts and visual media. This allows readers to gain a better understanding of how people draw inspiration from the past in their attempt to create a better

future and how these stories provide both collective and individual guidance in navigating the turbulent 21st century The Meaning of Myth in Uncertain Times is suitable for students scholars teachers and general readers interested in mythology and ancient Greek and Roman history and culture providing insights that are relevant to the challenges we all face today

Aly Cappellucci doesn't need any more kinks. She likes the one she's landed on just fine. To her, nothing could top the masked men she follows online. Unless one of those men was shirtless, heavily tattooed, and waiting for her in her bedroom. She dreams about being hunted by one in particular, of him chasing her down and doing deliciously dark things to her willing body. She never could have guessed that by sending one drunken text, those dreams would become her new reality. I want things most people don't crave: darkness and depravity instead of light and love. Josh Hammond has spent his life avoiding the limelight, but his online persona is another story. At night, he posts masked thirst traps for his millions of fans to drool over, but one follower has caught his eye. Aly. After reading a comment begging him to break into her house wearing a mask, he decides to take her up on her offer. Together, Aly and Josh live out their darkest fantasies, unaware that Aly has captured the attention of someone else. Someone with far more sinister intentions than a little light stalking. As Josh turns from predator to protector and the stakes heighten, he must ask himself how far he's willing to go for the woman he's obsessed with. *Lights Out* is a fast-paced dark romance with a morally gray male lead. Some themes and scenes may be disturbing to readers. Please check the TWs at the beginning of the book. Tropes: Stalker romance, Morally grey MMC, Masked stalker, He falls first, Black cat x golden retriever, Kink friendly.
