*The Whole-School Community Read* Margaux DelGuidice-Calemmo, Jeannette Balantic, 2025-10-30 A comprehensive resource for librarians and teachers who want to implement a whole school community reading program in their schools. Community reading programs can foster a love of reading, increase student engagement, build a community of readers, and simultaneously improve literacy. Yet it can be daunting to begin a new program at a busy school. This guidebook provides a clear roadmap for librarians and teachers who wish to try a whole school community reading program with all ages of learners. Beginning with a history of whole school reads, authors DelGuidice Calemmo and Balantic describe how a community reading program can work for students at all levels and promote family connections through reading. They offer advice on finding funding, building successful collaborations within the school community, and allowing students to have a voice in book selection. Marketing, makerspace, and promotion ideas help encourage participation. Learn how to use informal checkpoints and a final celebration to sustain and celebrate participants. Finally, come away with strategies to assess these programs and try variations to increase engagement. Appendixes of resources provide practical tools for those ready to begin planning their own program.

*Paperback Crush* Gabrielle Moss, 2018-10-30 For fans of vintage YA a humorous and in-depth history of beloved teen literature from the 1980s and 1990s full of trivia and pop culture fun. Those pink covers. That flimsy paper. The nonstop series installments that hooked readers throughout their entire adolescence. These were not the serious issue novels of the 1970s nor the blockbuster YA trilogies that arrived in the 2000s. Nestled in between were the girl-centric teen books of the 80s and 90s short, cheap, and utterly adored. In *Paperback Crush*, author Gabrielle Moss explores the history of this genre with affection and humor, highlighting the best-known series along with their many diverse knockoffs. From friendship clubs and school newspapers to pesky siblings and glamorous beauty queens, these stories feature girl protagonists in all their glory. Journey back to your younger days a time of girl power nourished by sustained silent reading. Let *Paperback Crush* lead you on a visual tour of nostalgia-inducing book covers from the library stacks of the past.

**TEMPEST RAGING: The Tempest Rock Star Series, books 1-4** Michelle Mankin, Four bestselling full-length novels. Your all-access backstage pass to the world's most dysfunctional rock band. Tempest rocking. Tempest rolling. Tempest raging out of control. IRRESISTIBLE. REFRAIN. Two years ago, everything changed for the remaining members of the Seattle rock band Tempest. Two years is a long time. Too long to keep on remembering. Not nearly long enough to forget. In trouble with nowhere else to go, songstress Lace Lowell seeks refuge with the band during their stop in New York City. It's a risky move for her because they are both there: two impossibly good-looking men whose lives are inseparably entwined with hers. One who bruised her heart and one who smashed it into pieces. Warren War Jenkins, the mercurial lead singer of Tempest, has always had a thing for Lace. But then again, so does his best friend and band mate, Bryan Bullet Jackson, the sinfully handsome tat-sleeved lead guitarist. He has a bad-boy reputation befitting his nickname. For the past two years, Bullet's had a rule with the groupies: one time, never twice.

Place of publication transcribed from publisher's website. **People Like Her** Ellery Lloyd, 2021-01-12 Beyond being a brilliant skewering of social media and influencer culture, *People Like Her* is quite simply a damn good thriller. The novel reads like *Gone Girl* on steroids in all the best ways. BookReporter Breathlessly fast, brilliantly original. Bravo. Ellery Lloyd Clare Mackintosh, New York Times bestselling author of *After*, From the New York Times bestselling author of *The Club*, a razor sharp, wickedly smart suspense debut about an ambitious influencer mom whose soaring success threatens her marriage, her morals and her family's safety. Followed by *Millions*, Watched by One. To her adoring fans, Emmy Jackson aka the\_mamabare is the honest Instamum who always tells it like it is. To her skeptical husband, a washed up novelist who knows just how creative Emmy can be with the truth, she is a breadwinning powerhouse, chillingly brilliant at monetizing the intimate details of their family life. To one of Emmy's dangerously obsessive followers, she is the woman that has everything but deserves none of it. As Emmy's marriage begins to crack under the strain of her growing success and her moral compass veers wildly off course, the more vulnerable she becomes to a very real danger, circling ever closer to her family. In this deeply addictive tale of psychological suspense, Ellery Lloyd raises important questions about technology, social media, celebrity and the way we live today. Probing the dark side of influencer culture and the perils of parenting online, *People Like Her* explores our desperate need to be seen and the lengths we'll go to be liked by strangers. It asks what and who we sacrifice when we make our private lives public and ultimately lose control of who we let in. [Il circolo delle donne di Manhattan](#) Shelley
