Contagious You: Unlock Your Power to Influence, Lead, and Create the Impact You Want Anese Cavanaugh, 2019-11-06

The much anticipated follow-up to *Contagious Culture* shows aspiring leaders how to embody the qualities they wish to cultivate in their organizations. In *Contagious Culture*, Anese Cavanaugh proved that it is possible to create an energized and engaged organizational culture that spreads from person to person. Now in *Contagious You*, she hones in on the individual, showing us how each of us is contagious in our own way and stressing the importance of leading with intention to achieve positive results. For anyone who's sought to create change or felt sucked into the drama and chaos of a toxic work environment, this book will advance the notion that everyone at an organization is a leader for good or for bad, and that leaders have tremendous power to influence those who follow their example. The quality of our leadership is based upon our intentions, energy, and presence. By emphasizing authorship, self-care, and response ability, not responsibility, as leadership skills, and therefore cultural amplifiers, *Contagious You* shows you how to walk the path of more effective leadership while navigating the roadblocks in your way. Whether these roadblocks are working with negative co-workers with secret agendas and unrealistic expectations or just the general busyness of life and its excessive demands, this book will take you on a journey to create more space, more courageous leadership, and stronger collaboration to influence others and create the impact you desire. The common denominator is YOU. No matter what level you're on, your intentions, energy, and presence impact your ability to do anything within your life. *Contagious You* is an invitation to UNLOCK your own power. YOU set the tone. YOU are the culture. So show up, lead, and intentionally become the change you wish to see.
