Helen and her Vancouver detective friend are on the hunt for a killer on a Halloween she won't soon forget Great 2 for this series You'll want to keep following Helen This is a fun way into a mystery through the HR department I usually don't like romances in my mysteries but I like these two This is a Pacific Northwest mystery set in the beautiful city of Vancouver BC Canada It is a clean cozy mystery with a slow burn romance This book is part of a cozy murder mystery series that continues from book one in the same contemporary light humorous chick lit style with our female sleuth teaming up with her handsome detective and learning more and more about police procedurals No gore just great mysteries and a host of characters in

fascinating settings locations and a deep dive into a variety of workplaces and businesses like stock brokerage architecture and biotech The settings also include well known Vancouver landmarks but little known facts about Vancouver adding more interest In that sense for many it can be considered a travel mystery with romance with the twist of learning about HR and whichever business Helen is consulting for when she stumbles upon a mystery in Vancouver making these highly original mysteries The author had a ten year career in human resources in order to write believably about this field She has been writing since she was young and got the idea for the first book when she realized that only a limited number of people or

suspects had passes to an executive lounge making it a perfect locked room or limited access style mystery She continues to have great fun creating motives and inventing characters that fit a specific industry where she sets the murder The author is inspired by the classics and the original cosy mystery writer Agatha Christie Also the Sherlock Holmes collection the first writer of police procedurals and hard evidence clues Helen Reilly mysteries are currently available in paperback cozy
