Longevity Secrets Tammy Gallagher,2022-11-23 If you want to live a healthier and longer life as quickly as tomorrow keep reading Tammy Gallagher understands that change occurs one step at a time

Goals need to be conceivable to be achievable She couldn't imagine living the lifestyle she lives today when she was 213 pounds eating a very unhealthy diet and without exercise Going from unhealthy to healthy doesn't happen overnight What's unique about Longevity Secrets is that it gives four tiers for each lifestyle recommendation appealing not only to those that are healthy but to those that are not Someone who is relatively healthy and already has a beneficial lifestyle has the next steps very different than someone who is obese and unhealthy Therefore her approach is to meet you where you are today and take you one step closer to where you want to go This makes change achievable In Longevity Secrets you'll discover The five pillars of longevity and how to implement each into your lifestyle Four crucial components to include in your exercise routine to ensure mobility as long as possible Immediate action you can take to add years to your life Why gut health is essential to your health and what you can do about it The non-negotiables you must include if you wish to have a healthier longer life Longevity Secrets will give you a step by step plan for implementing longevity strategies from someone who has lived through it herself even if you have failed at implementing healthy lifestyle changes in the past regardless of your current health

Younger by the Day Victoria Moran, 2004-11-23 Wouldn't it be wonderful to love your life through every age and stage of it Appreciate yourself every step of the way And have such vitality that even though you're perfectly proud of the age you are people routinely think you're several years younger This happy state is the promise of *Younger by the Day* a one year program for aging in reverse with results that start as soon as you do and you can start any day of the year Victoria Moran was baffled when midlife seemed to change everything from the shape of her body to her visibility in society She began a four year journey asking these questions Why do some women blossom with age while others wither How can you accept yourself as you are and still nurture yourself into becoming the best you can be How can you draw from your inner wisdom everything you need to deal with the uncertainties of life as well the certainty of growing older Victoria found the practical answers and they are distilled here for you to put into use one day at a time
