## **Pinterest Reading Challenge International Bestseller:**

**Time Wise** Amantha Imber, 2023-04-25 Discover productivity secrets from the world's foremost thinkers, leaders and entrepreneurs. High achievers most definitely approach their workday differently. This book gives access to the secrets and strategies they've found for making things work. From Wharton Professor Adam Grant's trick to get into flow when he starts work, Google's Executive Productivity Advisor Laura Mae Martin and her inbox shape shifting to Cal Newport's multiple tab boards, this isn't your typical productivity book. You know the basics and have heard the swallow the frog platitudes. Time Wise goes deeper and unveils some of the more counterintuitive but effective time management methods that boost your productivity. Some of the high achievers featured along with their personal strategies include Adam Alter setting systems instead of goals, Rita McGrath who consults her own personal board of directors, Jake Knapp who focuses on the one important thing of the day, and Oliver Burkeman's approach to beating the to-do list. This book will allow you to master the superpower of using your time wisely to achieve success in business life and beyond. Praise for Time Wise: This charming book will save you more time than it takes to read. Adam Grant, New York Times bestselling author of Think Again. A must-read. This book will transform how you approach your workday. Greg McKeown, New York Times bestselling author of Effortless and Essentialism. Read this book. Jake Knapp, bestselling author of Sprint and Make Time. Bursting with actionable ideas on how to use your time better. Nir Eyal, author of Indistractable.

**Alpha Challenge** Lia Davis, 2020-07-06 Feral. Unstable. Hungry. Words that describe a rogue, not a den mother. Rhea Scott has crawled out of the darkness lingering in the deepest part of her soul. Keeping her grounded are her pack: the kids she protects and cares for, and a partner she keeps at a distance. Mating with Alec would be a fatal mistake; he'd crash and burn with her if the darkness ever won. Nothing will stop Ashwood, leopard Marshal Alec Andrews, from claiming Rhea. The stubborn female thinks she's protecting him by denying the mating pull, but she's wrong. He'll tear down the walls she's built around her heart and show her they belong together. The war is supposed to be over, but a new enemy has risen from the fallen Onyx Pack's ashes. After children are kidnapped, Rhea's wolf goes into maternal protection mode, and she won't rest until the kids are home safe. No one is going to stop her, especially that hotheaded, sexy alpha male Alec Andrews.

**Promotional Culture and Convergence** Helen Powell, 2013-04-17 The rapid growth of promotional material through the internet, social media, and entertainment culture has created consumers who are seeking out their own information to guide their purchasing decisions. Promotional Culture and Convergence analyses the environments necessary for creating a culture of collaboration with consumers and critically engages with key areas of contemporary promotional development, including promotional culture's primary industries: advertising, marketing, PR, and branding, and how they are informed by changes in consumer behaviour and market conditions. How industries are adapting in the digital age to attract both audiences and advertising revenue, the evolving dialogues between new consumers and producers, and promotional industries. Ten contributions from leading theorists on contemporary promotional culture.

presents an indispensable guide to this creative and dynamic field and include detailed historical analysis in depth case studies and global examples of promotion through TV magazines newspapers and cinema

**From Scrolls to Scrolling** Bradford A. Anderson, 2020-06-22 Throughout history the study of sacred texts has focused almost exclusively on the content and meaning of these writings Such a focus obscures the fact that sacred texts are always embodied in particular material forms from ancient scrolls to contemporary electronic devices Using the digital turn as a starting point this volume highlights material dimensions of the sacred texts of Judaism Christianity and Islam The essays in this collection investigate how material aspects have shaped the production and use of these texts within and between the traditions of Judaism Christianity and Islam from antiquity to the present day Contributors also reflect on the implications of transitions between varied material forms and media cultures Taken together the essays suggests that materiality is significant for the academic study of sacred texts as well as for reflection on developments within and between these religious traditions This volume offers insightful analysis on key issues related to the materiality of sacred texts in the traditions of Judaism Christianity and Islam while also highlighting the significance of transitions between various material forms including the current shift to digital culture

**Inside Book Publishing** Angus Phillips, Giles Clark, 2019-08-09 Now fully revised and updated for its sixth edition Inside Book Publishing is the classic introduction to the book publishing industry Giles Clark and Angus Phillips offer authoritative coverage of all sectors of the industry from commercial fiction and non fiction to educational publishing and academic journals They reveal how publishers continue to adapt to a fast changing and highly interconnected world in which printed books have proved resilient alongside ebooks and the growth of audio Major themes are explored including the development of digital products and the use of social media in book marketing as well as those that affect publishers businesses such as the rise of internet retailing rental models for student textbooks and open access where academic content is free to the user Case studies from industry experts give fascinating perspectives on topics such as crowdfunding self publishing and how authors can market themselves The book provides excellent overviews of the main aspects of the publishing process commissioning authors product development design and production marketing sales and distribution As a manual for those in the profession and a guide for the potential publishers of the future Inside Book Publishing remains a seminal work for anyone with an interest in the industry It will also be of interest to authors seeking an insider's view of this exciting industry

**Cupcakes, Pinterest, and Ladyporn** Elana Levine, 2015-09-30 Media expansion into the digital realm and the continuing segregation of users into niches has led to a proliferation of cultural products targeted to and consumed by women Though often dismissed as frivolous or excessively emotional feminized culture in reality offers compelling insights into the American experience of the early twenty first century Elana Levine brings together writings from feminist critics that chart the current terrain of feminized pop cultural production Analyzing everything from Fifty Shades of Grey to Pinterest to pregnancy apps contributors examine the economic technological representational and experiential dimensions of products

and phenomena that speak to and about the feminine As these essays show the imperative of productivity currently permeating feminized pop culture has created a generation of texts that speak as much to women's roles as public and private workers as to an impulse for fantasy or escape Incisive and compelling Cupcakes Pinterest and Ladyporn sheds new light on contemporary women's engagement with an array of media forms in the context of postfeminist culture and neoliberalism
