Life today **Smartphone Addiction** Steve Harris,2020-10-19 Here s Why Your Cellphone Is Dangerous For You How often do you open your smartphone and suddenly find yourself having lost 30 minutes or perhaps hours of your day What is the first thing you do when you wake up in the morning and before bedtime If the answer is I look at my cell phone so you really need to read this book The human brain is wired to get little happy hits of dopamine off of social media posts online videos mobile games and more Our smartphones are engineered to make us crave them They start controlling our behavior and thought processes They attack our mental health and relationships Just leaving your phone at home or forgetting it might scare some people But it might have some advantages too The relationships you build when being offline may be much more intimate and satisfying because you are not constantly distracted It s true that our phones can bring us joy new insights and thoughtful moments Sometimes they can make you feel less alone But at the same time they can cause envy sadness self criticism and even disillusionment or distrust Modern devices and social media apps are designed to hook us in and keep us engaged and this in some cases can lead to behavioral addictions to technology Using social media has become an integral part of our life and if you re stuck at home you might be tempted to cling to social media more intensely than ever But this is a perfect time to do a detox and you should try it for many reasons At the end of this reading you will know how to retrain your mind to take back control of your tech And it s really worth it Why should you lose precious moments of your life behind a cell phone when you could live unique moments off screen Live every moment to the fullest by learning interesting insights about social media and technology Page by page take what s yours back *Less* Rachel Aust,2018-06-12 Simplify life and amplify living with influencer Rachel Aust s visual guide to mastering the minimalist lifestyle Declutter and reorganize Living with less contributes to a greater sense of fulfillment contentment and a more meaningful life The minimalist lifestyle focusing on scaling back your possessions and simplifying your life to just the essentials helps you to achieve peace and purpose Indulgences and excess often lead to discontentment and depression but adopt minimal living and you ll find that less is more More time because you don t waste it caring for and organizing stuff More space because you don t fill it with objects of marginal value More money because you don t spend it on unnecessary things More clarity because your mind isn t bogged down by the clutter around you More joy because your energy is spent on experiences and connections Using decision trees flow charts icons and other graphics *Less* shows how minimalism can be applied to any area of life including home wardrobe decor cooking cleaning finances and time Rachel Aust shows you that minimalism can be adapted to suit your own goals to help you achieve the joy of less Practicing Digital Detox: The Benefits of Disconnecting from Technology for Mental Health Namaskar Book,2024-10-24 Practicing Digital Detox The Benefits of Disconnecting from Technology for Mental Health In an increasingly digital world taking a break from technology can be vital for mental health This book explores the benefits of practicing a digital detox and offers strategies for disconnecting from screens to promote relaxation mindfulness and better mental clarity Readers will discover how to create balance in their lives by reducing screen

time and reconnecting with the present moment
