Social Reading Cultures on BookTube, Bookstagram, and BookTok Bronwyn Reddan, Leonie Rutherford, Amy Schoonens, Michael Dezuanni, 2024-04-30 This book examines the reading cultures developed by communities of readers and book lovers on BookTube, Bookstagram, and BookTok as an increasingly important influence on contemporary book and literary culture. It explores how the affordances of social media platforms invite readers to participate in social reading communities and engage in creative and curatorial practices that express their identity as readers and book lovers. The interdisciplinary team of authors argue that by creating new opportunities for readers to engage in social reading practices, bookish social media has elevated the agency and visibility of readers and book consumers within literary culture. It has also reshaped the cultural and economic dynamics of book recommendations by creating a space in which different actors are able to form an identity as mediators of reading culture. Concise and accessible, this introduction to an increasingly central set of literary practices is

essential reading for students and scholars of literature sociology media and cultural studies as well as teachers and professionals in the book and library industries **The Routledge Companion to Crime Fiction** Janice Allan, Jesper Gulddal, Stewart King, Andrew Pepper, 2020-04-07 The Routledge Companion to Crime Fiction is a comprehensive introduction to crime fiction and crime fiction scholarship today. Across 45 original chapters specialists in the field offer innovative approaches to the classics of the genre as well as ground breaking mappings of emerging themes and trends. The volume is divided into three parts. Part I Approaches rearticulates the key theoretical questions posed by the crime genre. Part II Devices examines the textual characteristics of crime fiction. Part III Interfaces investigates the complex ways in which crime fiction engages with the defining issues of its context from policing and forensic science through war, migration and narcotics to digital media and the environment. Rigorously argued and engagingly written the volume is indispensable both to students and scholars of crime fiction.
