**Indian Popular Fiction** Gitanjali Chawla, Sangeeta Mittal, 2021-10-14 This anthology explores and validates the nuances of Indian popular fiction which has hitherto been hounded by its ubiquitous commercial success. It uncovers popular in its socio-political and cultural contexts. Furthermore, it investigates the vitality embedded in theory and praxis of popular forms and their insurrections in mutants and new age oeuvres and looks to examine the symbiotic bonds between the reader and the author as the latter articulates and perpetuates the needs of the former whose demands need continual fulfilment. This constant metamorphosis of the popular fueled by neoliberalism and postmodernity along with the shifts in the publishing industry to more democratic reader-driven genres is taken up here along with the millennial's fetish for romance humanized mythical retellings and the evergreen whodunnits. As its natural soulmates, the anthology delves into the interstices of Indian Popular with desi local traditions, folk lore, community consciousness and nation building. Please note: This title is co-published with Aakar Books New Delhi. Taylor Francis does not sell or distribute the Hardback in India, Pakistan, Nepal, Bhutan, Bangladesh and Sri Lanka.

*The Fan Fiction Studies Reader* Karen Hellekson, Kristina Busse, 2014-02-15 An essential introduction to a rapidly growing field of study. The Fan Fiction Studies Reader gathers in one place the key foundational texts of the fan studies corpus with a focus on fan fiction. Collected here are important texts by scholars whose groundbreaking work established the field and outlined some of its enduring questions. Editors Karen Hellekson and Kristina Busse provide cogent introductions that place each piece in its historical and intellectual context, mapping the historical development of fan studies and suggesting its future trajectories. Organized into four thematic sections, the essays address fan-created works as literary artifacts, the relationship between fandom, identity and feminism, fandom and affect, and the role of creativity and performance in fan activities. Considered as literary artifacts, fan works pose important questions about the nature of authorship, the meaning of originality and modes of transmission. Sociologically, fan fiction is and long has been a mostly female enterprise from the fanzines of the 1960s to online forums today, and this fact has shaped its themes and its standing among fans. The questions of how and why people become fans and what the difference is between liking something and being a fan of it have also drawn considerable scholarly attention, as has the question of how fans perform their fannish identities for diverse audiences. Thanks to the overlap between fan studies and other disciplines related to popular and cultural studies, including social, digital and transmedia studies, an increasing number of scholars are turning to fan studies to engage their students. Fan fiction is the most extensively explored aspect of fan works and fan engagement, and so studies of it can often serve as a basis for addressing other aspects of fandom. These classic essays introduce the field's key questions and some of its major figures. Those new to the field or in search of context for their own research will find this reader an invaluable resource.

*Bad Girls and Transgressive Women in Popular Television, Fiction, and Film* Julie Chappell, Mallory Young, 2017-07-03 This collection of essays focuses on the representations of a variety of bad girls, women who challenge

refuse or transgress the patriarchal limits intended to circumscribe them in television popular fiction and mainstream film from the mid twentieth century to the present Perhaps not surprisingly the initial introduction of women into Western cultural narrative coincides with the introduction of transgressive women From the beginning for good or ill women have been depicted as insubordinate Today s popular manifestations include such widely known figures as Lisbeth Salander the girl with the dragon tattoo The Walking Dead s Michonne and the queen bees of teen television series While the existence and prominence of transgressive women has continued uninterrupted however attitudes towards them have varied considerably It is those attitudes that are explored in this collection At the same time these essays place feminist postfeminist analysis in a larger context entering into ongoing debates about power equality sexuality and gender

**Beowulf's Popular Afterlife in Literature, Comic Books, and Film** Kathleen Forni,2018-08-06 Beowulf s presence on the popular cultural radar has increased in the past two decades coincident with cultural crisis and change Why By way of a fusion of cultural studies adaptation theory and monster theory Beowulf s Popular Afterlife examines a wide range of Anglo American retellings and appropriations found in literary texts comic books and film The most remarkable feature of popular adaptations of the poem is that its monsters frequently victims of organized militarism male aggression or social injustice are provided with strong motives for their retaliatory brutality Popular adaptations invert the heroic ideology of the poem and monsters are not only created by powerful men but are projections of their own pathological behavior At the same time there is no question that the monsters created by human malfeasance must be eradicated

**Twentieth-Century and Contemporary American Literature in Context** Linda De Roche,2021-06-04 This four volume reference work surveys American literature from the early 20th century to the present day featuring a diverse range of American works and authors and an expansive selection of primary source materials Bringing useful and engaging material into the classroom this four volume set covers more than a century of American literary history from 1900 to the present Twentieth Century and Contemporary American Literature in Context profiles authors and their works and provides overviews of literary movements and genres through which readers will understand the historical cultural and political contexts that have shaped American writing Twentieth Century and Contemporary American Literature in Context provides wide coverage of authors works genres and movements that are emblematic of the diversity of modern America Not only are major literary movements represented such as the Beats but this work also highlights the emergence and development of modern Native American literature African American literature and other representative groups that showcase the diversity of American letters A rich selection of primary documents and background material provides indispensable information for student research

**Political Mythology and Popular Fiction** Ernest J. Yanarella,Lee Sigelman,1988-01-13 A fascinating contribution to the scholarship of both political science and literature this book explores eight major genres of contemporary popular fiction generally assumed to be essentially devoid of political content children s novels Westerns middle class fiction historical novels small town Americana

sports novels American war fiction and science fiction By uncovering the often covert mythical themes and cultural symbols hidden in the plot formulas of these works many of them bestsellers the essays illustrate the debt of mass market authors to cultural and political traditions that reach back to the origins of the American Republic *List of Books for School Libraries of the State of Oregon* ,1915 *Exploring Culturally Diverse Literature for Children and Adolescents* Darwin L.

Henderson,Jill P. May,2005 This collection of original essays concentrates on the meaning of cultural aesthetics in children s and adolescent literature and uniquely tackles the particular issues teachers face today Discusses beginning literary patterns of a particular group stereotypic representations of American cultures imagery in American adolescent and children s literature and issues of literary inclusion Theory and practice come together throughout the three sections of the text

**Journal of Research (humanities).** University of the Punjab,2018 **Children's Books on Ancient Greek and Roman Mythology** Antoine Brazouski,Mary J Klatt,1994 This reference begins with chapters on the history of children s books on classical mythology in the United States and then presents an annotated bibliography of appropriate titles for children *Journal of the Malaysian Branch of the Royal Asiatic Society* ,2005 *Magill's Guide to Science Fiction and Fantasy Literature: The absolute at large* ,1996 These four volumes cover 791 books or series 238 of them published during the 1980s and 1990s the entries are 1 000 words long for single books and 1 500 for series with a one sentence summary beginning each entry followed by bibliographical information Volume 4 contains an extensive bibliography of critical works on science fiction and fantasy a list of major award winners a genre index Booklist *Magill's Guide to Science Fiction and Fantasy Literature* T. A. Shippey,A. J. Sobczak,1996 These four volumes cover 791 books or series 238 of them published during the 1980s and 1990s the entries are 1 000 words long for single books and 1 500 for series with a one sentence summary beginning each entry followed by bibliographical information Volume 4 contains an extensive bibliography of critical works on science fiction and fantasy a list of major award winners a genre index Booklist **One World in Children's Books** Arts in Childhood,1953 **One World in Children's Books** Educational Press Association of America.
