How to Promote Your Book Jan Yager, 2023-01-18 Writing a great book is the easy part Getting people to buy the book is wicked hard Jan's book shows you what promotion to do so you increase the possibility that your book becomes a bestseller Jeffrey Fox bestselling author *How to Become a Rainmaker* Being an author is 50% creative and 50% promotion Jan Yager's comprehensive and practical book *How to Promote Your Book* tells authors exactly what they need to know and do to promote their book I'm recommending it to all the authors I know including those whose books I share through my Bedside Reading program Jane Ubell Meyer CEO Bedside Reading former TV producer Good Morning America Entertainment Tonight WSJ TV Whether your book is being released through a commercial publisher or an academic press or you are self publishing it as the author you can and should play a crucial role in getting your title seen talked about and sold And while you may watch dozens of authors pitch their books on TV in social media and in bookstores they represent only a fraction of the writers who come out with new books each year What do they know that you don't They know what to do to get attention for themselves and more important for their books and as you will discover in book publishing veteran Jan Yager's *How to Promote Your Book* you can too The book is divided into three sections Part One begins with a look at promotion basics These include knowing what your book's marketplaces are who your audience is how the media is divided the elements involved in publicity and how to create an effective promotional timeline Once you understand the basics Part Two focuses on the ways to package and market yourself to the various book and media outlets It discusses putting together professional looking press releases and media kits It also explains how to obtain endorsements and reviews as well as how to generate speaking engagements and interviews with journalists bloggers and radio TV and podcast hopes Part Three provides a plan that covers the first three months of an author's publicity program from the day the book is formally released through all the media events that have been lined up Throughout the book you will find insets that answer important questions such as What are the real costs involved and Should I promote myself or hire a publicist Just as important the author includes a valuable resource guide that provides the names addresses and links to many of the key places covered in the book Jan Yager has enjoyed a fabulous career as both a best selling author and a publisher She has been interviewed by many of the top shows on TV and radio In *How to Promote Your Book* she lets you in on what she has done both for herself and for her authors to open the door to effective publicity

Narratives, Nerdfighters, and New Media Jennifer Burek Pierce, 2020-11-15 For decades we've been warned that video killed the radio star and more recently that social media has replaced reading Nerdfighteria a first of its kind online literary community with nearly three million members challenges these assumptions It is the brainchild of brothers Hank and John Green who provide literary themed programming on their website and YouTube channel including video clips from John a best selling author most famous for his young adult book *The Fault in Our Stars* These clips not only give fans personal insights into his works and the writing process writ large they also provide unique

access to the author inspiring fans to create their own fan art and make connections with one another In the twenty first century reading and watching videos are related activities that allow people to engage with authors and other readers Whether they turn to *The Fault in Our Stars* or titles by lesser known authors Nerdfighters are readers Incorporating thousands of testimonials about what they read and why Jennifer Burek Pierce not only sheds light on this particular online community she also reveals what it tells us about the changing nature of reading in the digital age In Nerdfighteria we find a community who shows us that being online doesn't mean disinterest in books
