S. Engels**

### **Community Favorite Post Apocalyptic Story:**

**Postapocalyptic Fiction and the Social Contract** Claire P. Curtis, 2010-07-17 Postapocalyptic Fiction and the Social Contract We ll Not Go Home Again provides a framework for our fascination with the apocalyptic events The popular appeal of the end of the world genre is clear in movies novels and television shows Even our political debates over global warming nuclear threats and pandemic disease reflect a concern about the possibility of such events This popular fascination is really a fascination with survival how can we come out alive And what would we do next The end of the world is not about species death but about beginning again This book uses postapocalyptic fiction as a terrain for thinking about the state of nature the hypothetical fiction that is the driving force behind the social contract The first half of the book examines novels that tell the story of the move from the state of nature to civil society through a Hobbesian a Lockean or a Rousseauian lens including Lucifer s Hammer by Larry Niven and Jerry Pournelle Alas Babylon by Pat Frank Malevil by Robert Merle and Into the Forest by Jean Hegland The latter half of the book examines Octavia Butler s postapocalyptic Parable series in which a new kind of social contract emerges one built on the fact of human dependence and vulnerability

**The Palgrave Handbook of Popular Culture as Philosophy** Dean A. Kowalski, Chris Lay, Kimberly S. Engels, 2024-04-30 Much philosophical work on pop culture apologises for its use using popular culture is a necessary evil something merely useful for reaching the masses with important philosophical arguments But works of pop culture are important in their own right they shape worldviews inspire ideas change minds We wouldn t baulk at a book dedicated to examining the philosophy of The Great Gatsby or 1984 why aren t Star Trek and Superman fair game as well After all when produced the former were considered pop culture just as much as the latter This will be the first major reference work to right that wrong gathering together entries on film television games graphic novels and comedy and officially recognizing the importance of the field It will be the go to resource for students and researchers in philosophy culture media and communications English and history and will act as a springboard to introduce the reader to the other key literature in the field

**Evolution and Popular Narrative** , 2019-06-07 The contributors to this volume share the assumption that popular narrative when viewed with an evolutionary lens offers an incisive index into human nature In theory narrative art could take a near infinity of possible forms In actual practice however particular motifs plot patterns stereotypical figures and artistic devices persistently resurface indicating specific predilections frequently at odds with our actual living conditions Our studies explore various media and genres to gauge the impact of our evolutionary inheritance in interdependence with the respective cultural environments on our aesthetic appreciation As they suggest research into mass culture is not only indispensable for evolutionary criticism but may also contribute to our understanding of prehistoric selection pressures that still influence modern preferences in popular narrative Contributions by David Andrews James Carney Mathias Clasen Brett Cooke Tam s D vid Barrett Tom Dolack Kathryn Duncan Isabel Behncke Izquierdo Joe Keener Alex C Parrish Todd K Platts Anna Rotkirch Judith P Saunders Michelle

Scalise Sugiyama Dirk Vanderbeke and Sophia Wege      *Encyclopedia of Community* DAVID LEVINSON, KAREN CHRISTENSEN, 2003-06-30 Click Additional Materials for downloadable materials and samples

Incredibly this is the first encyclopedia to focus on community as concept and experience so stands alone in its field as the one title any library must buy to cover this topic Essential for all readerships CHOICEA timely comprehensive and very welcome overview of a rich and rapidly growing field of inquiry Robert D Putnam Professor at Harvard University and author of *Bowling Alone* With every passing minute it becomes more and more apparent that our world is one community The *Encyclopedia of Community* serves as recognition of this trend and as a needed resource The four volume set not only explains the emerging buzz words of community such as social capital or civic engagement but also tells many stories of community institutions that work such as public libraries Sarah Ann Long Past President 1999 2000 American Library Association As we yearn to connect with our fellow citizens during these uncertain times we have a unique moment to encourage greater participation in our democracy and reinvigorate our communities The *Encyclopedia of Community* provides a timely diverse array of theories and practices that will help citizens understand the value of engaging together to make the critical choices that enrich the way we live learn work and govern in our local communities The *Encyclopedia* deserves a prime spot in the libraries homes and offices of all communities that want to invest in a brighter future for their residents and their children Nancy Kranich Past President of the American Library Association whose presidential theme was *Libraries The Cornerstone of Democracy* 2000 2001

American politicians often pair the word community with the word freedom to describe our basic values Yet though used constantly the word community is defined in widely different and contested ways Most people like the idea of community but some intellectuals worry that it might imply collectivism The great value of this new *Encyclopedia* is that it gives readers a chance to sample the many uses of the term and gain clarity about the issues at stake It is a major contribution to a more coherent understanding of this fundamental idea Robert Bellah Professor of Sociology Emeritus University of California Berkeley and co author of *Habits of the Heart* SAGE Publications is proud to announce the *Encyclopedia of Community* a major reference work that summarizes the many fascinating and important concepts of a global topic Community itself is a concept an experience and a central part of being human Whether the reader is a student researcher or professional in the field of psychology sociology or even economics this three volume work will provide the necessary definitions of community beyond traditional views Arranged in an A to Z fashion the *Encyclopedia* can also be viewed topically via a Reader's Guide This allows for interdisciplinary compare and contrast among topics such as types of communities social capital technology urban life politics and law community design and global studies Edited by the award winning team at Berkshire Reference and assisted by an editorial board of world renowned scholars the *Encyclopedia of Community* will prove to be one of the most widely used reference works in your collection

Popular Culture      **The Suburban Gothic in American Popular Culture** B. Murphy, 2009-08-21 An examination of the way American suburbia has been depicted in Gothic and horror films television and literature from 1948 to the present day in which Bernice Murphy demonstrates that Gothic depictions of suburbia provide an intriguing glimpse into the way modern American society views itself      Encyclopedia of Community Karen Christensen, David Levinson, 2003 This encyclopedia is a welcome exploration of the great variety of social networks that human beings create and participate in Interdisciplinary in scope the set includes contributions from some of the foremost scholars studying community today Appendixes include an extensive bibliography a collection of resources guides an annotated guide to Community in Popular Culture and Libraries Build Community a guide for librarians The Top 20 Reference Titles of the Year American Libraries May 2004      Frontiers Past and Future Carl Abbott, 2006 Abbott offers a fruitful new way to read science fiction one that also greatly enriches our understanding of western history and its impact on our collective imagination Detailing the overlap of science fiction and western fiction especially relating to their mutual interest in and concerns about frontier expansionism he reveals an unsuspected common ground that informs the writings of both camps Reviewing the work of many Hugo and Nebula Award winners as well as drawing upon popular film and television series like the Buck Rogers serials Abbott's study journeys across the far reaches of science fiction's universe      *Theatre Record*, 2003      *Science-fiction Studies*, 2005      **Text and Community** J. Harold Ellens, 2007 Bruce Manning Metzger New Testament professor emeritus at Princeton Theological Seminary died in February 2007 at the age of 93 This volume in his honour was already in preparation and has become of necessity a memorial volume rather than the Festschrift that was intended Metzger has been called the greatest American New Testament critic and biblical translator of the twentieth century Among his writings most commonly cited are his classic studies *The Text of the New Testament its Transmission Corruption and Restoration* 1964 and *The Early Versions of the New Testament their Origin Transmission and Limitations* 1977 He was also Chair of the Committee of Translators for the New Revised Standard Version of the Bible published 1990 The first of these two wide ranging and often innovative volumes created in his honour subtitled *Interpretation of the Text for the Community* falls into two parts *The Nature of the Bible Manuscripts Texts and Translation* e.g. an ancient papyrus biblical fragment biblical exegesis in the third world and *Understanding the Bible Hermeneutics* e.g. biblical interpretation in Paul in its cultural context The second volume on *Implementation of the Text in the Community* has as its two parts *The Church and the Bible Pulpit and Parish* e.g. pastoral care and the Bible and *The Academy Science Culture Society and the Bible* e.g. psychological method and the historical Jesus Jungian and Freudian perspectives on gender in the Gospel of John      **The Magazine of Fantasy & Science Fiction**, 2007-07      A Rather Large Weapon Maria Fusco, 2009 A journal published for and about experimental art writing      *The Religion of Science Fiction* Frederick A. Kreuziger, 1986 Science fiction captures contemporary sentiment with its faith in a scientific technological future its explorations of the ultimate meaning of man's existence Kreuziger is interested particularly

in the apocalyptic visions of science fiction compared to the biblical revelations of John and Daniel For some time our confidence has been placed largely in science which has practically become a religion Science fiction articulates the consequences of a faith in a technological future     *The Bible Unmasked* Joseph Lewis,1928     Alter/Asians Ien Ang,2000 Exploration of how Australia and Asia are intertwined in everyday culture and in the imagined worlds of Australians of all backgrounds Investigates Asian cultural production of art literature media and performance that embody Asian social and cultural experiences Includes endnotes bibliography and index Ang and Chalmers work in the School of Cultural Studies at University of Western Sydney Law and Thomas are Australian Research Council Postdoctoral Fellows at Australian National University and the Research Centre in Intercommunal Studies respectively     *Drawn to Television* M. Keith Booker,2006-08-30 Traces the history of prime time animation from The Flintstones to Family Guy and South Park s late night appeal in the 21st century This book describes the content and style of the major prime time animated series while also placing these series within their political and cultural contexts     *Cinefantastique* Frederick S. Clarke,1987     Aum Shinrikyo's Impact on Japanese Society Daniel Alfred Metraux,2000 Analyzes the vast impact that Aum has had on Japanese society including its appeal to Japanese youth In depth study of the question of civil liberties now that many Japanese wish to ban sects Also details political questions raised by the Aum crisis Aum s revivalist mission to Russia and attempts by Aum and other New Religions in Japan to gain money and fame by pushing an Armageddon theme     **Science Fiction & Fantasy Book Review Annual** ,1990     Russian Life ,2010
