Space Opera Saga Community Favorite:

Cult Television Sara Gwenllian-Jones, Roberta E. Pearson, 2004 A television series is tagged with the label cult by the media advertisers and network executives when it is considered edgy or offbeat when it appeals to nostalgia or when it is considered emblematic of a particular subculture. By these criteria almost any series could be described as cult. Yet certain programs exert an uncanny power over their fans encouraging them to immerse themselves within a fictional world. In *Cult Television* leading scholars examine such shows as *The X-Files* *The Avengers* *Doctor Who* *Babylon Five* *Star Trek* *Xena* *Warrior Princess* and *Buffy the Vampire Slayer* to determine the defining characteristics of cult television and map the contours of this phenomenon within the larger scope of popular culture. Contributors: Karen Backstein, David A. Black, Seton Hall U, Mary Hammond, Open U, Nathan Hunt U, of Nottingham, Mark Jancovich, Petra Kuppens, Bryant College, Philippe Le Guern U, of Angers, France, Alan McKee, Toby Miller, New York U, Jeffrey Sconce, Northwestern U, Eva Vieth, Sara Gwenllian. Jones is a lecturer in television and digital media at Cardiff University and co editor of *Intensities: The Journal of Cult Media*. Roberta E. Pearson is a reader in media and cultural studies at Cardiff University. She is the author of the forthcoming book *Small Screen Big Universe: Star Trek and Television*.

Textual Poachers Henry Jenkins, 2012-12-07 The twentieth anniversary edition of Henry Jenkins's *Textual Poachers* brings this now canonical text to a new generation of students interested in the intersections of fandom, participatory culture, popular consumption, and media theory. Supplementing the original classic text is an interview between Henry Jenkins and Suzanne Scott in which Jenkins reflects upon changes in the field since the original release of *Textual Poachers*. A study guide by Louisa Stein helps provides instructors with suggestions for the way *Textual Poachers* can be used in the contemporary classroom and study questions encourage students to consider fan cultures in relation to consumer capitalism, genre, gender, sexuality, and more.

Sex, Politics, and Religion in Star Wars Douglas Brode, Leah Deyneka, 2012-07-02 In 1977 *Star Wars* blazed across the screen to become one of the highest grossing and most beloved movies of all time, spawning an unprecedented merchandising phenomenon. It was followed by two sequels and three prequels, all of which became blockbusters. Comic books, novels, graphic novels, and magazines devoted to the films added to the mythology of George Lucas's creation. Despite the impact of the franchise on popular culture, however, discussion of the films from a scholarly perspective has not kept pace with the films. In *Sex, Politics, and Religion in Star Wars: An Anthology*, Douglas Brode and Leah Deyneka have assembled a provocative collection of essays exploring some of the more intriguing aspects of the *Star Wars* phenomenon. Contributors to the volume tackle such hot topics as race and racism in the *Star Wars* galaxy, Judeo-Christian and Eastern religious themes, homosexual romance, and philosophical and political implications both earthbound and otherworldly. These essays interpret the *Star Wars* universe from a variety of perspectives, including feminist and Freudian, offering insights from writers who bring a new passion to the subject. A companion volume to *Myth, Media, and Culture in Star Wars*, *Sex, Politics, and Religion in Star Wars* is an authoritative anthology incorporating

scholarly analysis with engaging insights It will engross readers both fans and scholars alike **The Art of Star Wars: The Acolyte** Kristin Baver,2026-02-03 The official behind the scenes companion to the acclaimed Disney Star Wars series The Acolyte The Art of Star Wars The Acolyte showcases the production art character and vehicle designs planets storyboards and other breathtaking work created during the production of the Disney series Set 100 years before The Phantom Menace in the waning days of the High Republic The Acolyte tells the story of a Jedi Master and their former Padawan as they investigate a sinister threat Starring Amandla Stenberg Lee Jung jae Manny Jacinto Dafne Keen Jodie Turner Smith and Carrie Ann Moss this series marked the first time the High Republic appeared in live action Filled with interviews with key creatives from the series this gift ready book offers a firsthand account of working within this new era **Legendary Lightsabers** Barrett Williams,ChatGPT,2025-01-07 Step into a galaxy where the hum of a Legendary Lightsaber is more than just the sound of a weapon it's the pulse of a universe This definitive eBook invites you on an epic journey through the mythos of one of science fiction's most iconic symbols Begin with an exploration of the lightsaber as a potent emblem of hope justice and at times darkness in An Introduction to Lightsabers Delve into The Origins to uncover the ancient inspirations and transformations that birthed this legendary blade With Crafting the Blade learn the mystique behind kyber crystals and the artistry of designing diverse lightsabers throughout the ages Celebrate the Original Trilogy's groundbreaking impact and the timeless designs of Obi Wan Kenobi and Anakin Skywalker in The Legends Begin Witness technical evolution as real world technologies influence new innovations in Technical Evolution in Design culminating in the fiery introduction of Kylo Ren's Cross Guard Lightsaber Explore the shadows with The Dark Side of Lightsabers revealing the Sith's compelling designs and the ominous allure of red blades From pop culture phenomena to passionate fan creations Cultural Impact examines why lightsabers continue to capture the imagination Journey beyond the films with Legends and Expanded Universe where unique and non canonical lightsabers thrive In Craftsmanship in Reality discover how these iconic blades are brought to life for screens and fans alike Conclude your odyssey with Lightsaber Combat and Behind the Scenes insights that unveil the artistic dueling forms and the visionary challenges behind production Finally envision the future with Legacy of the Lightsaber and explore its limitless potential across various mediums Legendary Lightsabers is not just an exploration it's a celebration of the timeless icon that bridges generations Join the adventure today and ignite your connection to the Force **Academy, with which are Incorporated Literature and the English Review**,1910 **The Academy**,1910 *The Academy and Literature* ,1910 **Academy and Literature** Charles Edward Cutts Birch Appleton,Charles Edward Doble,James Sutherland Cotton,Charles Lewis Hind,William Teignmouth Shore,Alfred Bruce Douglas,Ellis Ashmead-Bartlett,Thomas William Hodgson Crosland,1910 **Twentieth-century Science-fiction Writers** Curtis C.
