**Seriality in the Streaming Era** Lene Heiselberg, Bo Kampmann Walther, Jakob Isak Nielsen, Rasmus Rønlev, 2025-09-12

Seriality in the Streaming Era explores the dynamic transformation of serialized storytelling in the digital era where platforms like Netflix, Disney, and Apple Podcasts have redefined how narratives are created, consumed, and experienced. This book examines the profound impact of streaming technologies on both fictional and nonfictional series, offering an in-depth analysis of how these formats have evolved. Drawing from case studies across a wide range of media from television to podcasts and social media platforms like Facebook and Snapchat, this book highlights how serialized storytelling has adapted to diverse formats and consumption habits. The authors explore key trends such as platform-specific narrative structures, audience engagement, and the blending of genres in both entertainment and journalism. With a focus on both the aesthetic and functional shifts in seriality, the book offers theoretical insights into the future of storytelling in a media landscape increasingly shaped by data-driven strategies and audience participation. Furthermore, the book tackles how seriality navigates the delicate balance between creativity and commercial demands. As a significant contribution, the book features interviews with key industry professionals in the field of serial media production. Seriality in the Streaming Era is an essential resource for scholars, students, and industry professionals, as well as anyone curious about the evolving role of serialized narratives in shaping modern media culture.

**Getting To Six Figures Sustainably** Monica Leonelle, 2025-10-21

You don't need hacks, hustle, or burnout to hit six figures. You need systems that actually work and that work for you. In *Getting to Six Figures Sustainably*, Monica Leonelle shares 12 of her most enduring frameworks refined over a decade of working with tens of thousands of authors that will help you build a thriving author business with clarity, ease, and longevity. Inside, you'll get cliff notes versions of Monica's best and most requested ideas from across her nonfiction catalog, including *The Hierarchy of Prosperous Creation*, *build a career*, *on mindset*, *craft*, *rhythm*, and *resilience*. *The Accelerator*'s Formula to achieve any goal faster with this powerful 6-step process. *Story Symmetry*, write deeply aligned, marketable books that become reader obsessions. *Author Ecosystems*, discover your archetype and use it to design a business that works for you. *Funnel Flywheel*, understand how readers become superfans and then spread your work. *The Fandom Flywheel*, build a loyal, self-sustaining reader base that sells your books for you. Plus six more systems for audience growth, visibility, branding, and book virality. Whether you're just getting started or ready to scale to your next level, this book is the business oracle deck every author needs. Keep it by your side as a reference when you're stuck, stagnant, or spinning, and get clear, practical answers fast. It's time to stop guessing and start growing with intention, integrity, and a whole lot of joy.

**Sports Fan Culture** Emily James, AI, 2025-02-20

*Sports Fan Culture* explores the multifaceted world of sports fandom, arguing it's a vital social institution that shapes identities and fosters community. The book delves into why millions passionately follow sports, examining the rituals, behaviors, and social structures that define this culture. Did you know that fan engagement significantly

impacts the sports industry's economics influencing stadium attendance and merchandise sales. Or that team affiliation plays a crucial role in constructing collective identity reflecting broader cultural values. The book traces the evolution of sports from displays of physical prowess to multi billion dollar industries using historical and sociological perspectives. It demonstrates how fan culture reinforces social bonds and expresses shared values. For example consider how fans unify around team colors and chants demonstrating belonging and shared identity. The book analyzes ethnographic studies, media representations and fan surveys to support its arguments. Structured to introduce core concepts and theoretical frameworks the book progresses across chapters by developing key themes such as the construction of local and national identity, the economic dimensions of fan behavior and the ritualistic practices solidifying fan allegiance. Ultimately this approach provides a comprehensive understanding of sports fan culture as a complex component of contemporary social life.

[Keywords in Remix Studies](#) Eduardo Navas, Owen Gallagher, xtine burrough, 2017-11-27. Keywords in Remix Studies consists of twenty four chapters authored by researchers who share interests in remix studies and remix culture throughout the arts and humanities. The essays reflect on the critical historical and theoretical lineage of remix to the technological production that makes contemporary forms of communication and creativity possible. Remix enjoys international attention as it continues to become a paradigm of reference across many disciplines due in part to its interdisciplinary nature as an unexpectedly fragmented approach and method useful in various fields to expand specific research interests. The focus on a specific keyword for each essay enables contributors to expose culture and society's inconclusive relation with the creative process and questions assumptions about authorship, plagiarism and originality. Keywords in Remix Studies is a resource for scholars including researchers, practitioners, lecturers and students interested in some or all aspects of remix studies. It can be a reference manual and introductory resource as well as a teaching tool across the humanities and social sciences.
