## Sci Fi Dystopia 2026 Guide:

*Writers' Handbook 2026* J. Paul Dyson, 2025-07-10 The 2026 edition of [firstwriter.com](http://firstwriter.com)'s annual directory for writers is the perfect book for anyone searching for literary agents, book publishers or magazines. It contains over 1 400 listings including revised and updated listings from the 2025 edition and over 200 brand new entries. Finding the information you need is now quicker and easier than ever before with multiple tables and a detailed index and unique paragraph numbers to help you get to the listings you're looking for. The variety of tables helps you navigate the listings in different ways and includes a Table of Authors which lists over 5 000 authors and tells you who represents them or who publishes them or both. The number of genres in the index has expanded to over 950. So for example while there was only one option for Romance in previous editions you can now narrow this down to Historical Romance, Fantasy Romance, Supernatural, Paranormal Romance, Contemporary Romance, Diverse Romance, Erotic Romance, Feminist Romance, Christian Romance or even Amish Romance. The new edition includes Over 600 literary agents and agencies, Over 350 magazines and Over 400 publishers that don't charge fees. International markets become more accessible than ever with listings that cover both the main publishing centres of New York and London as well as markets in other English speaking countries. With more and more agents, publishers and magazines accepting submissions online this international outlook is now more important than ever. There are no adverts, no advertorials and no obscure listings padding out hundreds of pages. By including only what's important to writers, contact details for literary agents, publishers and magazines, this directory is able to provide more listings than its competitors at a lower price. The book also allows you to create a subscription to the [firstwriter.com](http://firstwriter.com) website for free until 2027. This means you can get free access to the [firstwriter.com](http://firstwriter.com) website where you can find even more listings and also benefit from other features such as advanced searches, daily email updates, feedback from users about the markets featured, saved searches, competitions, listings, searchable personal notes and more. I know firsthand how lonely and dispiriting trying to find an agent and publisher can be. So it's great to find a resource like [firstwriter.com](http://firstwriter.com) that provides contacts, advice and encouragement to aspiring writers. I've been recommending it for years now. Robin Wade, literary agent at the Wade Doherty Literary Agency Ltd and long term [firstwriter.com](http://firstwriter.com) subscriber.

*Survive and Resist* Shauna L. Shames, Amy L. Atchison, 2019-08-06 Authoritarianism is on the march and so is dystopian fiction In the brave new twenty first century young adult series like The Hunger Games and Divergent have become

blockbusters after Donald Trump's election two dystopian classics 1984 and The Handmaid's Tale skyrocketed to the New York Times best seller list. This should come as no surprise: dystopian fiction has a lot to say about the perils of terrible government in real life. In *Survive and Resist* Amy L. Atchison and Shauna L. Shames explore the ways in which dystopian narratives help explain how real world politics work. They draw on classic and contemporary fiction, films, and TV shows as well as their real life counterparts to offer funny and accessible explanations of key political concepts. Atchison and Shames demonstrate that dystopias, both real and imagined, help bring theories of governance, citizenship, and the state down to earth. They emphasize nonviolent resistance and change, exploring ways to challenge and overcome a dystopian style government. Fictional examples they argue help give us the tools we need for individual survival and collective resistance. A clever look at the world through the lenses of pop culture, classic literature, and real life events, *Survive and Resist* provides a timely and innovative approach to the fundamentals of politics for an era of creeping tyranny.
