**The 3-Step Digital Detox System** Neil Cooper, 2023-05-15

A practical game changing 3 step digital detox program is within reach. Keep reading to start plugging back into life. Are you constantly distracted by what's happening on your phone? Do you find yourself mindlessly scrolling through social media platforms? Is your work and personal life slowly getting affected by your technology addiction? Whatever your motivations are, you're in the right place. IMAGINE THIS: You're on a tight deadline but you can't focus because your phone notifications keep blowing up. You try to put your phone on silent but the idea of missing out on new memes, funny videos, and personal updates from friends keep gnawing at your brain. So you give in. Without even realizing it, you've essentially wasted hours scrolling instead of using all that precious time working on your very important deadline. So you work on it through the night with nothing but anxiety and energy drinks to fuel you to finish. Now it's early morning and you realize that not only did you lose sleep but you also missed out on important quality time for friends, family, and most importantly, yourself. How frustrating is that? With everything good technology has brought into our lives, we fail to realize how dependent we have become on our gadgets in terms of social interaction, entertainment, and information gathering. The result? Our attention spans are getting shorter, our relationships are struggling, and our productivity is dwindling by the second. So how do we overcome this? The 3 Step Digital Detox System will show you how. Inside this science based guide are effective tips on how to beat technology addiction and reduce screen time. Here's what you'll get: 81 Powerful solutions to increase your productivity. Take back control of how you spend your time despite a world full of distractions with a 3 step research based system on why you keep getting sucked into the digital world and how you can overcome it. Tips on how to build self-awareness. Let's face it, what you have is an addiction. Learn to put an end to your unhealthy compulsions by building on your self-awareness so that you can learn what emotional, physical, and psychological warnings to watch out for. Self-management insights to set yourself up for success. Start playing it smart with ways on how to become less obsessed with gadgets, more productive at work, less prone to distractions, and how you can optimize your personal and work life without heavily depending on technology. Methods on how to take better care of yourself for the long term. Create a realistic and practical lifestyle that addresses all of your needs so that you can effectively avoid crashing back into your old bad digital habits. And more. Just like an addiction to narcotics, tech addiction triggers the brain's reward system to release the feel good chemical dopamine. However, unlike the taboo that surrounds narcotics, the same cannot be said for our gadgets. The 3 Step Digital Detox System recognizes this and is created to treat technology addiction the same way as healthcare professionals treat

narcotics addiction by recognizing that it has altered our brains completely and that the only way to detox is to start from the inside out This guide aims to not make you live a completely unplugged life in the modern world but to give you the tools you need to achieve balance productivity and overall well being If you're ready to prioritize the things that truly matter and stop the draining cycle of being stuck in the same place and missing out on work and family time then it's time to make it happen with this powerful guide Grab a Copy Today **The Digital Health Self** Rachael Kent, 2023-06-08 This is a detailed analysis of how understanding of health management past present and future has transformed in the digital age Since the mid 20th century we have witnessed healthy lifestyles being pushed as part of health promotion strategies both via the state and through health tracking tools and narratives of wellness online This marks a seismic shift from a public welfare state responsibility for health towards individualised practices of digital self care Today health has become representative of lifestyle correction which is performed on social media Putting the spotlight on neoliberalism and digital technology as pervasive tools that dictate wellness as a moral obligation Rachael Kent critically analyses how users navigate relationships between self tracking technologies social media and everyday health management **Stop Staring at Screens** Tanya Goodin, 2018-09-06 Technology was designed to make our lives easier and yet it's one of the biggest drivers of family rifts and stress Making healthy and realistic decisions about when and where you really need technology can be tricky but is essential for restoring harmony in your home Stop Staring at Screens has the answers you need Find sanity saving solutions and practical tips Follow diagnostic quizzes Identify key triggers Address common issues Learn what works best for you and your family
