*Life in Balance* Olivia Parker, 2025-01-05 *Life in Balance* offers a refreshing perspective on health improvement by challenging the notion that better wellness requires drastic lifestyle overhauls. Drawing from behavioral science and health psychology research this comprehensive guide demonstrates how small consistent changes can lead to significant long term health benefits. The book's unique approach combines insights from neuroscience, nutrition, sleep studies and stress management to create a practical framework for sustainable wellness.
