Social Reading Cultures on BookTube, Bookstagram, and BookTok Bronwyn Reddan, Leonie Rutherford, Amy Schoonens, Michael Dezuanni, 2024-04-30 This book examines the reading cultures developed by communities of readers and book lovers on BookTube Bookstagram and BookTok as an increasingly important influence on contemporary book and literary culture. It explores how the affordances of social media platforms invite readers to participate in social reading communities and engage in creative and curatorial practices that express their identity as readers and book lovers. The interdisciplinary team of authors argue that by creating new opportunities for readers to engage in social reading practices bookish social media has elevated the agency and visibility of readers and book consumers within literary culture. It has also reshaped the cultural and economic dynamics of book recommendations by creating a space in which different actors are able to form an identity as mediators of reading culture. Concise and accessible this introduction to an increasingly central set of literary practices is essential reading for students and scholars of literature, sociology, media and cultural studies as well as teachers and professionals in the book and library industries.

Young Adult Literature in Action Rose Brock, 2019-06-14 Taking a genre approach this overview of young adult literature shows new librarians and library science students the criteria to use for selecting quality books including recommended titles. This third edition of *Young Adult Literature in Action* draws on the success of the previous two editions authored by Rosemary Chance updating and expanding on them to meet the needs of today's librarians and library science students. It includes a new focus on diverse books, LGBTQ+ selections, the role of book formats and the relevance of librarians serving teen populations and is an ideal resource for teaching young adult literature courses. Organized by major genre divisions this easy to use book includes new information on timely topics such as audio and e books, accessible books and graphic novels. Each chapter includes revised and updated information on collaborative activities, featured books, special topics and programs, selected awards and celebrations, historical connections, recommended resources, issues for discussion, author comments and assignment suggestions. Further updates include citations of exemplary young adult books and award winners, references, websites and a bibliography.
