Campbell-Reed, 2021-05-11 In Pastoral Imagination Bringing the

Practice of Ministry to Life Eileen R Campbell Reed informs and inspires the practice of ministry through slices of on the ground learning experienced by seminarians pastors activists and chaplains and gathered from qualitative studies of ministry Each of the fifty chapters explores a single concept through story reflection and provocative open ended questions designed to spark conversation between ministers and mentors among ministry peers or for personal journal reflections The book provides a framework for understanding ministry as an embodied relational integrative and spiritual practice Pastoral Imagination is closely integrated with the author s Three Minute Ministry Mentor web resource which introduces the topics in the book through brief video presentations The book serves as a coaching guide and a ministry mentor in its own right by expanding on these topics through the author s reflections observations and questions Addressing the importance of the practice of ministry Campbell Reed states Ministry itself like most professions and complex practices is dogged and driven by a rush to achieve Yet to focus on achievement can be disastrous especially if we skip over the steps for learning To learn the

practice of ministry a multifaceted professional and spiritual practice takes time and preparation risk and responsibility support and feedback The book can be used by individuals for personal growth with groups in new pastor retreats CPE training programs ministry peer groups or supervision settings such as internship or field education for devotional inspiration at staff meetings and in seminary classrooms that prioritize teaching ministry as a practice **Innocence**

which will improve his/her ability to consult design programs and work in a variety of settings with various populations including those with medical and psychological conditions as well as those who wish to support their health and well-being. The book provides the necessary conceptual foundational frameworks for exploring how practitioners in a field of alternative medicine/holistic health know what they know in support of their work. These core ways of knowing give them a foundation for evaluating their work, new advances in the field, and affords them interrelated frames of knowledge for their continued research expansion and integrative work in the field. Trained holistic health practitioners who may have applied one or more of these paradigms may now be able to expand their foundational and conceptual base, thereby broadening their theory and techniques that are appropriate to their professional arenas. Section I is designed to explore general ways of knowing and meaning-making in holistic health. Section II is designed to offer the reader practitioner methodology regarding the creation and implementation of holistic health centers, programs, and integrated consultation practices. Finally, Section III offers examples of integrative holistic health clinicians who combine and synthesize a variety of holistic health approaches and paradigms into their practices as practitioners, healers, therapists, and consultants.
