Michael T. Wagner, 2014-07-22 This book was not written for the weak kneed spineless politically correct non practicing American It is instead for those of us who have witnessed the methodical dismantling of traditional morals and values thus exhausting the limits of our tolerance The contents of this book will detail our cultural mutation which applauds deviance rewards failure and elects the corrupt in terms designed to wake up the lethargic patriot in all of us in an effort to re enforce the urgency in our resolve so we may reverse our current descending cultural trajectory thus sparing future generations from an otherwise inevitable implosion **Comics and Catharsis** Jordan Tronsgard, 2025-08-21 Contributions by Kelly Baron Angie Chau Jennifer Nagtegaal Lee Okan Diana Pifano Russell Samolsky Kay Sohini Jordan Tronsgard Anastasia Ulanowicz and Aanchal Vij *Comics and Catharsis* Exploring Graphic Narratives of Trauma and Healing explores the idea that trauma and healing hold an imbalance in many forms of literature especially in the world of comics Whether it be war based national physical or sexual trauma this volume looks at a wide variety of trauma and the psychological pain and devastation that arise during and crucially for the question of trauma narratives following the events as the psychological and often physical

wounds are processed Essayists in the collection engage with questions of how comics process trauma through depictions and receptions Viewing trauma through the lens of comics such as Maus Persepolis and Fun Home as well as works by comics writers who are little known or unknown outside their communities contributors analyze how trauma is used in artistic style writing and overall storytelling Together the essays in Comics and Catharsis show how people who have suffered trauma often flock to these works to find a way to acknowledge and process their own suffering

Never Me Kate Stewart, 2014-07-22 I was a thief of men a whore Not the conventional type that got paid for sex I was the girl you talked about in your sad inner circle The girl you shielded your boyfriend from as you cleverly covered him with your body when I came near I was a threat to you Keeping him safe in your grasp was smart One week one incredible week was all it took to forever change me I was NEVER going to be you until I met HIM The Heart Kate Stewart, 2016-05-10 Jack For the last ten years I've roamed the globe captivated by the world around me I've seen the seven wonders and admired sunsets from every continent I'd lived and loved and that was enough for me It would have to be I was content satisfied with my collection of experiences until a phone call led me down a road less traveled If I'd known my fascination would pique and be forever quenched only a few hundred miles from where my curiosity had been born I may have never set sail Rose Stripped of the future I'd planned with the love of my life my family and my career were now all that mattered I'd lived and loved and that was enough It would have to be I struggled to move forward to discard the part of me that held out hope for my obliterated heart But I was bred a romantic so it was easier said than done The chances of being
