Corporate Invasion Teresita E Dziadura, 2021-05-16 Jason is a normal call center worker at a normal call center You know the type you've probably worked at them The type of place you tell yourself you'll be at for six months and then blink and it has been six years The type of place that takes over your brain and makes you one of the drones He hates his boss He has a friend he relaxes with between calls He sits near a nice girl named Amanda he's been thinking about asking out All said Jason has a stereotypical case of the Call Center Blues and he doesn't see it getting better any time soon That changes the moment he realizes that his job isn't like every other it's run by an evil group of alien invaders infiltrating the human race with body snatching parasitic organisms that actually are taking over his brain Jason must become more than he was in order to stop the threat of invasion to his planet He thought the company he worked for was unremarkable but they thought the same of him They both made a terrible mistake Can Jason become what he needs to to save his friends and his world

Alien Orders Johnnie West, 2022-02-07 Do you know the four types of aliens that have hidden themselves amongst

governments and armed services throughout the world No Well neither did Air Force Captain Scott Ryan until one night when he encountered a UFO while flying a training mission and was ordered by his superiors to forget what he saw When Scott learns that airmen at his base had been experiencing the same thing he did for years he ignores the order and begins digging deeper Scott's investigation quickly snowballs from innocent research into revelations of a covert war between humans and aliens and a full blown government conspiracy and coverup With a group of aliens known as the Naturals going extinct they are creating more and more alien human Hybrids to ensure their survival a process that threatens human free will and existence With the survival of both humans and aliens at stake Captain Ryan suddenly becomes the only man with enough knowledge to stop the Naturals or to join them Winner of two 2022 BookFest awards recognizing best science fiction and fantasy books and a 2022 Literary Titan Book Award Longshot Sean Platt, Johnny B. Today Bestselling author of The Slaver Wars comes a new military science fiction series The Trellixian Empire was constantly expanding seeking new worlds for their ever increasing population If worlds were discovered with existing sentient populations they were cleansed to make room for colonization Hundreds of budding civilizations had been eliminated by Trellixian battle fleets On Earth years in the past a scout ship fleeing from the Trellixians crashed Scientists investigating the wreckage discovered what the Trellixians had done to the world the scout ship escaped from They also discovered it was only a matter of time before the Trellixians reached Earth A daring plan was implemented involving the major world powers They would prepare in secret for the coming of the alien invaders The only question was how could one world resist a galactic empire

The Serene Invasion Eric Brown,2013-04-30 In 2025 the Serene arrive from Delta Pavonis V and change mankind's destiny forever The gentle aliens bring peace to an ailing world a world riven by war terrorism and poverty by rising conflicts over natural resources and offer an end to need and violence But not everyone supports the seemingly benign invasion There are those who benefit from conflict who cherish chaos and they will stop at nothing to bring back the old days When Sally Walsh is kidnapped by terrorists and threatened with death it seems that only a miracle can save her life Geoff Allen photo journalist is contacted by the Serene and offered the opportunity to work with the aliens in their mission For Sally Geoff and billions of other citizens of Earth nothing will ever be the same again

The Trunk Linda Mooney,2019-06-02 In the not too distant future the human population is nearly wiped out by an alien invasion Six years after the initial attack Emlee Dow isn't too worried about the continuing alien presence any longer It's the few humans left who pose a greater threat Food and supplies are hard to come by making survival an ever increasing struggle Luckily she finds refuge in an undiscovered basement room containing enough supplies to last weeks Feeling full and relatively safe Emlee decides to rest while she can She wasn't expecting her world to be turned upside down when she woke Or for the already upside down world to be flipped right side up pre destruction Thrown into the past she meets Mykail and has only days to convince him she's not crazy before history repeats itself or is it the future In these difficult and trying times it's hard to know who to trust Just when you find someone they're lost just as quickly Can love be found again in the future Or is it a thing of the past
