Michael T. Wagner, 2014-07-22 This book was not written for the weak kneed spineless politically correct non practicing American It is instead for those of us who have witnessed the methodical dismantling of traditional morals and values thus exhausting the limits of our tolerance The contents of this book will detail our cultural mutation which applauds deviance rewards failure and elects the corrupt in terms designed to wake up the lethargic patriot in all of us in an effort to re enforce the urgency in our resolve so we may reverse our current descending cultural trajectory thus sparing future generations from an otherwise inevitable implosion **Comics and Catharsis** Jordan Tronsgard, 2025-08-21 Contributions by Kelly Baron Angie Chau Jennifer Nagtegaal Lee Okan Diana Pifano Russell Samolsky Kay Sohini Jordan Tronsgard Anastasia Ulanowicz and Aanchal Vij *Comics and Catharsis* Exploring Graphic Narratives of Trauma and Healing explores the idea that trauma and healing hold an imbalance in many forms of literature especially in the world of comics Whether it be war based national physical or sexual trauma this volume looks at a wide variety of trauma and the psychological pain and devastation that arise during and crucially for the question of trauma narratives following the events as the psychological and often physical

wounds are processed Essayists in the collection engage with questions of how comics process trauma through depictions and receptions Viewing trauma through the lens of comics such as Maus Persepolis and Fun Home as well as works by comics writers who are little known or unknown outside their communities contributors analyze how trauma is used in artistic style writing and overall storytelling Together the essays in Comics and Catharsis show how people who have suffered trauma often flock to these works to find a way to acknowledge and process their own suffering
