Self Help Mindset Stories:

Story Work GG Renee Hill, 2025-11-04 A guide to understanding the stories we tell ourselves and the actions needed to reclaim power over our narrative. We absorb the world around us through stories. It's how we make sense of our surroundings, our communities, and ourselves. There's often truth and validity in these stories. But the stories we tell ourselves are not an end all be all. Instead, they're all part of a larger ongoing unfinished narrative one that we must continually refresh, expand, and contemplate to stay soft and open hearted. Here's the thing we can choose to keep these stories open to possibility and imagination or we can choose to keep them closed. That's where Story Work comes in. Through essays and prompting questions, GG Renee Hill invites readers to breathe new life into the stories we carry. She leads by example by penning the raw material of her own life: an upbringing raised by a mother with schizophrenia and a lifetime of internal and external forces trying to minimize that impact. It was a long, old, heavy story. Hill silently carried with her the powerless girl who lost her voice in the wreckage of her mother's condition until she turned to writing and began to change the meaning she'd assigned to her experiences. And she doesn't stop there. Hill invites readers to the transformative practice of creative self-discovery through storytelling, treating our life experiences as creative material that we have the power to shape. For the person searching, Story Work is the answer that enables us to live with an open hearted curiosity one that both fuels and grounds us.

Rewrite Your Story Transforming the Inner Critic into Your Strongest Ally Mara Ellison, 2025-09-06 Inside every person lives a voice that doubts, criticizes, and undermines an inner critic that can feel impossible to silence. But what if you could transform that voice into a source of strength instead of shame? Rewrite Your Story offers a practical, compassionate guide to healing the negative narratives that hold you back. With relatable insights, real world examples, and step by step tools, this book helps you uncover where self criticism comes from, understand why it persists, and learn how to reshape it into a supportive, empowering inner dialogue. You'll discover how to Recognize and challenge unhelpful self talk. Replace criticism with constructive self guidance. Build resilience through reframing your internal stories. Cultivate kindness toward yourself without losing accountability. Written in a friendly, conversational tone, this book doesn't just teach; it invites you to practice. By learning to rewrite the script of your inner world, you'll step into a life filled with clarity, confidence, and genuine self acceptance. Your inner voice can become your greatest champion. It's time to rewrite your story starting today.
