Are you ready to take the plunge to writing full time but don't know where to begin? In *How to Rock Freelance Writing*, bestselling author, veteran freelancer, and publishing coach Steff Green shows you how to slay the competition, find clients, pitch editors, and build a badass author brand, all with the goal of getting you paid for your words. As a freelance writer, you'll learn how to define your measure of success and set attainable goals. Choose the types of freelance writing that appeal to you. Use the 7-step method to generate ideas, create articles, and sell more words for more money. Land the best gigs with your dream publications and clients with clever pitching and insider tips. Sell one piece of writing over and over again to triple your income. Research, plan, write, and format different types of articles for print and web. Write faster, get recurring work from existing clients, and enjoy what you create. Find and win the most lucrative freelance jobs before they're even advertised. Double your income with simple hacks. Create an engaging platform to offer your own products and services. Find unique and emerging opportunities in freelancing to build your audience and earn a living. Build a sustainable long-term income as a freelance writer. PLUS get 60 writing prompts to inspire ideas for your first freelance piece. Steff breaks down the 7-step process that's seen her go from failed archaeologist and obscure music blogger to a successful freelancer and USA Today bestseller with a six-figure income. With dozens of examples and real talk from her own career, Steff shows how imagination, creativity, and perseverance can help you achieve your writing dreams. *How to Rock Freelance Writing* isn't just a book about selling articles to magazines or working with clients; it's about grabbing your dreams by the balls, living faster, harder, and louder, and cranking your art up to 11. **The Student Newspaper Survival**

Guide Rachele Kanigel, 2011-09-06 *The Student Newspaper Survival Guide* has been extensively updated to cover recent developments in online publishing, social media, mobile journalism, and multimedia storytelling. At the same time, it continues to serve as an essential reference on all aspects of producing a student publication. Updated and expanded to discuss many of the changes in the field of journalism and in college newspapers, with two new chapters to enhance the focus on online journalism and technology. Emphasis on Web-first publishing and covering breaking news as it happens, including a new section on mobile journalism. Guides student journalists through the intricate multi-step process of producing a student newspaper, including the challenges of reporting, writing, editing, designing, and publishing campus newspapers and websites. Chapters include discussion questions, exercises, sample projects, checklists, tips from professionals, sample forms, story ideas, and scenarios for discussion. Fresh, new, full-color examples from award-winning college newspapers around North America. Essential reading for student reporters, editors, page designers, photographers, webmasters, and advertising sales representatives.
