## **Echoes Of Scripture In The Letters Of Paul:**

**Echoes of Scripture in the Letters of Paul** Richard B. Hays, 1989-01-01 Analyzes Paul's use of Old Testament Scriptures and discusses the themes of Paul's letters

**Echoes of Scripture in the Gospels** Richard B. Hays, 2017-05-15 The claim that the events of Jesus' life, death, and resurrection took place according to the Scriptures stands at the heart of the New Testament's message. All four canonical Gospels declare that the Torah and the Prophets and the Psalms mysteriously prefigure Jesus. The author of the Fourth Gospel states this claim succinctly in his narrative: Jesus declares, "If you believed Moses, you would believe me, for he wrote about me" (John 5:46). Yet modern historical criticism characteristically judges that the New Testament's christological readings of Israel's Scripture misrepresent the original sense of the texts; this judgment forces fundamental questions to be asked: Why do the Gospel writers read the Scriptures in such surprising ways? Are their readings intelligible as coherent or persuasive interpretations of the Scriptures? Does Christian faith require the illegitimate theft of someone else's sacred texts? *Echoes of Scripture in the Gospels* answers these questions. Richard B. Hays chronicles the dramatically different ways the four Gospel writers interpreted Israel's Scripture and reveals that their readings were as complementary as they were faithful. In this long-awaited sequel to his *Echoes of Scripture in the Letters of Paul*, Hays highlights the theological consequences of the Gospel writers' distinctive hermeneutical approaches and asks what it might mean for contemporary readers to attempt to read Scripture through the eyes of the Evangelists. In particular, Hays carefully describes the Evangelists' practice of figural reading, an imaginative and retrospective move that creates narrative continuity and wholeness. He shows how each Gospel artfully uses scriptural echoes to re-narrate Israel's story to assert that Jesus is the embodiment of Israel's God and to prod the church in its vocation to engage the pagan world. Hays shows how the Evangelists summon readers to a conversion of their imagination. The Evangelists' use of scriptural echo beckons readers to believe the extraordinary that Jesus was Israel's Messiah, that Jesus is Israel's God, and that contemporary believers are still on mission. The Evangelists, according to Hays, are training our scriptural senses, calling readers to be better scriptural people by being better scriptural poets.

**Echoes of Scripture in the Letter of Paul to the Colossians** Christopher A. Beetham, 2008 The introduction of literary intertextuality into biblical studies has led to both discovery and dilemma. This study proposes new definitions of an allusion and an echo and a methodology on how to detect them, using the neglected letter of Colossians as a test case.

**The End of Deuteronomy in the Epistles of Paul** Guy Prentiss Waters, 2006 Originally presented as the author's thesis, doctoral, Duke University, 2002.

**Paul and the Scriptures of Israel** Craig A. Evans, James A. Sanders, 2015-01-29 What is an echo of Scripture? How can we detect echoes of the Old Testament in Paul, and how does their detection facilitate interpretation of the Pauline text? These are questions addressed by this collection of essays from the SBL programme unit Scripture in Early Judaism and Christianity. The first part of the book reports its vigorous 1990 discussion of Richard Hays's *Echoes of Scripture in the Letters of Paul*, including contributions by

Craig Evans James Sanders William Scott Green and Christiaan Beker as well as a response by R B Hays The second part of the book studies specific passages where reference is made to the Old Testament explicitly or allusively The contributors here are James Sanders Linda Belleville Carol Stockhausen James Scott Nancy Calvert and Stephen Brown *Reading with the Grain of Scripture* Richard B. Hays, 2020-10-22 Christianity Today Book Award in Biblical Studies 2021 All these essays illustrate in one way or another how I have sought to carry out scholarly work as an aspect of discipleship as a process of faith seeking exegetical clarity Richard Hays has been a giant in the field of New Testament studies since the 1989 publication of his *Echoes of Scripture in the Letters of Paul* His most significant essays of the past twenty five years are now collected in this volume representing the full fruition of major themes from his body of work the importance of narrative as the glue that holds the Bible together the figural coherence between the Old and New Testaments the centrality of the resurrection of Jesus the hope for New Creation and God's eschatological transformation of the world the importance of standing in trusting humility before the text the significance of reading Scripture within and for the community of faith Readers will find themselves guided toward Hays's hermeneutic of trust rather than the hermeneutic of suspicion that has loomed large in recent biblical studies *Biblical Exegesis in the Apostolic Period* Richard N. Longenecker, 1999 The discovery of the Dead Sea Scrolls the Nag Hammadi texts and new Targums has greatly increased scholarly interest in the relationship between the New Testament and first century Judaism This critically acclaimed study by Richard Longenecker sheds light on this relationship by exploring the methods the earliest Christians used to interpret the Old Testament By comparing the first Christian writings with Jewish documents from the same period Longenecker helps to discern both the key differences between Christianity and Judaism and the Judaic roots of the Christian faith Book jacket **The Conversion of the Imagination** Richard B. Hays, 2005-07-13 The Conversion of the Imagination contains some of the best work on Paul by first rate New Testament scholar Richard B Hays These essays probe Paul's approach to scriptural interpretation showing how Paul's reading of the Hebrew Scriptures reshaped the theological vision of his churches Hays's analysis of intertextual echoes in Paul's letters has touched off exciting debate among Pauline scholars and made more recognizable the contours of Paul's thought These studies contain some of the early work leading up to Hays's seminal *Echoes of Scripture in the Letters of Paul* and also show how Hays has responded to critics and further developed his thought in the years since Among the many subjects covered here are Paul's christological application of Psalms Paul's revisionary interpretation of the Law and the influence of the Old Testament on Paul's ethical teachings and ecclesiology **Echoes of Friendship in the Gospel of John** Martin M. Culy, 2010 Friendship in the Graeco Roman world took a wide variety of forms with some friendships involving nothing more than a political alliance or patron client relationship and others involving deep personal intimacy When Jesus says his disciples are to be called friends what type of friendship does he have in mind Friendship may seem a relatively insignificant motif in the Gospel of John since the author does not explicitly set out to provide a philosophical

discourse on the nature of friendship nor does he explicitly state that the narrative is about friendship In this study however Culy having carefully examined Graeco Roman literature on friendship demonstrates that the language of what he calls ideal friendship actually pervades the Fourth Gospel from beginning to end and serves as a primary vehicle for characterizing the relationships that are introduced in the Prologue and fleshed out throughout the course of the narrative Taking up the friendship motif as a tool of characterization the Gospel of John points to a striking implication of the life death and resurrection of Jesus that followers of Jesus are invited to enjoy a level of intimacy with him that can actually and perhaps only be compared to the level of intimacy that he enjoys with the Father The Johannine Jesus then came not just to save the world but also to offer those who would follow him a relationship that Graeco Roman philosophers only dreamed of a relationship where all the ingredients of ideal friendship were present

**Pauline Theology: Romans** Jouette M. Bassler, David M. Hay, E. Elizabeth Johnson, 1991 Leading Pauline scholars focus on the theology of Paul as reflected in the apostle s most reflective letter Romans The theology of Romans is examined as a separate communication without trying to explain or interpret that theology by reference to Paul s other letters The result is a fresh approach to Paul s thought

Revealing the Mysterion Benjamin L. Gladd, 2008 Scholars largely agree that the NT term mysterion is a terminus technicus originating from Daniel This project traces the word in the Dead Sea Scrolls and other sectors of Judaism Like Daniel the term consistently retains eschatological connotations The monograph then examines how mystery functions within 1 Corinthians and seeks to explain why the term is often employed The apocalyptic term concerns the Messiah

Literary-critical Approaches to the Bible Mark Minor,1992 **Paul and the Emergence of Christian Textuality** Margaret Mary Mitchell,2017 The apostle Paul was the inaugurator of early Christian literary culture not only through the writing of his own letters ca 50 62 CE which were to become surprisingly influential once collected and published after his death but also through the successful propagation of a religious logic of mediated epiphanies of Christ on the one hand and of synecdochical hermeneutics of the gospel narrative about Christ on the other He set the precedent that the Christ believing movements were to be rooted in texts and textual interpretation Already in his own letters Paul began a process of ongoing articulation and reinterpretation of the gospel narrative and the various means by which it could be replicated in each new generation and locale This process was to continue through the letters written in his name the Acts of the Apostles and apostolic imitators and expositors in the centuries to come These 15 essays by Margaret M Mitchell are accompanied by an introduction that lays out thirteen propositions for the development of early Christian literary culture from its inception in the astounding claims of Paul the self styled apostolic envoy of Jesus Christ crucified up through Constantine Tyndale Bulletin ,2003 Scripture Bulletin ,2003 New Testament Writers and the Old Testament John M.
