The Quick-Start Library Guide Kelly Mayfield, Amy O. Milstead, 2025-09-04 Helps paraprofessionals and new school librarians begin their first school year with confidence New librarians and paraprofessionals often come to school library positions with little or no experience in library work and there s a gap in instructional information available for those who want to quickly increase their skill level This book helps professionals and paraprofessionals learn what they need to know to get started as well as pointing them to additional resources in areas where they might want more advanced information This practical guide teaches librarians and paraprofessionals to develop systems and create plans for programs and partnerships with teachers and other professionals to set them up for success during their first year in the library A timeline helps map out the rhythm of a school year The Quick Start Library Guide introduces paraprofessionals to library science topics such as cataloging collection development and weeding It covers topics specific to the school library such as reading levels book fairs and author visits Each section includes suggested resources for more in depth learning Librarians and paraprofessionals will be able to use this valuable straightforward guide to hit the ground running in their new role

Library Youth Outreach Kerol Harrod, 2014-01-21 With tightened library budgets the norm librarians run the risk of cutting back so much that they isolate themselves from their patrons and their communities This doesn t have to happen The outreach methods detailed in this book range from simple actions to detailed processes Each of the 26 chapters provides helpful information for both those new to library outreach and those with years of experience *Occupational Therapy Groups for Addressing Mental Health Challenges in School-Aged Populations* Brad Egan, Cindy Sears, Allen

Keener,2024-06-01 A new resource for school based occupational therapists Occupational Therapy Groups for Addressing Mental Health Challenges in School Aged Populations A Tier 2 Resource is a collection of occupation based group interventions and tools that can be used to support students at risk for or with identified mental health challenges School wide mental health programs are increasing and expanding School based occupational therapists are uniquely positioned to collaborate with traditional school mental health practitioners and provide an occupational perspective on how mental health can impact school performance and participation in academic occupations Occupational Therapy Groups for Addressing Mental Health Challenges in School Aged Populations is organized into different sections to assist the occupational therapy practitioner or occupational therapy student in considering different aspects of providing mental health services in schools The text serves as a flexible compendium of group activities and interventions designed to promote positive mental health for all students and support students at risk for or with identified mental health challenges What s included in Occupational Therapy Groups for Addressing Mental Health Challenges in School Aged Populations Cases to help recognize the occupational impact of internalizing and externalizing behaviors A quick reference of common assessments and screening tools Occupation based Tier 2 group protocols and data collection tool templates An online section for occupational therapy and occupational therapy assistant educators with ideas for learning assignments rubrics and classroom activities to prepare prelicensure learners for addressing school mental health needs once they enter practice Occupational Therapy Groups for Addressing Mental Health Challenges in School Aged Populations A Tier 2 Resource expresses the valued contribution that occupational therapists make to school mental health initiatives while also addressing a major gap a Tier 2 focused resource with intervention ideas and tools for answering this urgent call to practice Recovering the Lost Art of Reading Leland Ryken,Glenda Mathes,2021-03-02 A Christian Perspective on the Joys of Reading Reading has become a lost art With smartphones offering us endless information with the tap of a finger it s hard to view reading as anything less than a tedious and outdated endeavor This is particularly problematic for Christians as many find it difficult to read even the Bible consistently and attentively Reading is in desperate need of recovery Recovering the Lost Art of Reading addresses these issues by exploring the importance of reading in general as well as studying the Bible as literature offering practical suggestions along the way Leland Ryken and Glenda Faye Mathes inspire a new generation to overcome the notion that reading is a duty and instead discover it as a delight Masculinities in Post-Millennial Popular Romance Eirini Arvanitaki,2022-05-12 This book focuses on the projection of the hero s masculinity in a selection of post millennial popular romance narratives and attempts to discover if and to what extent this projection reinforces or challenges patriarchal ideas about gender In the majority of these narratives the hero is often presented as a hegemonic alpha male However hegemonic masculinity is not a fixed concept Rather it is subject to continuous change which allows for the emergence of various dominant masculinities Under a poststructuralist lens and through a close textual analysis approach and a gender reading of

romance narratives the book suggests that to a certain extent the romance hero could be described as a platform onto which different forms of dominant masculinity are displayed and highlights that these masculinities do not necessarily clash depend on or function as a prerequisite for each other Secrets to Effective Author Marketing Marguerita McVay

Lynch, 2017-12-09 Have you put your book out there and been disappointed in your sales Perhaps you've tried a variety of marketing tactics to boost discoverability blog posts social media book tours paid ads in a variety of venues But nothing is working The publishing landscape changes every year The number of books published has increased and the competition for readers is more than it has been before The key is to define your audience and then convince those potential readers of the value of your book Your marketing time and money should primarily be spent on a message of value not price not story and not genre This book provides specific techniques to exploit that value without resorting to the typical overexposure in social media and newsletters with Buy My Book sales messaging Instead focus on the top three proven techniques that actually sell books Follow step by step instructions and timelines to learn how to 1 Create an Effective Plan for Communicating to Readers 2 Use Social Media and Email lists to Engage with Your Readers and 3 Plan for Effective Campaigns for both Book Launches and Backlist Rejuvenation throughout the year In addition this book provides techniques to Distinguish specific groups of readers most likely to buy your novel or nonfiction book Understand your competition and the advantages that your book offers Clarify hooks that capture attention of the media reviewers and readers Identify where and how to reach readers reviewers and media Create and implement a consistent brand throughout all marketing efforts Effectively select from 100 options the appropriate marketing tactics and timing that matches your book intentions and values Maximize organic reach and stay to a budget of less than 100 per book campaign Develop a long term online marketing plan Border Crossings

and Mobilities on Screen Ruxandra Trandafoiu, 2022-06-08 Border Crossings and Mobilities on Screen explores the movement fluidity and change characterizing contemporary life as represented on screen media from mobile devices to television film computers video art and advertising displays People have never moved around more and increasingly migration and mobility has come to shape both our understandings of ourselves and the ways in which we interpret and mediate the world we live in As people move media plays a key role in shaping and reshaping identity and belonging opening the doors to transnational and transcultural participation Drawing on screen media case studies from around the world this book demonstrates how screen mobilities reconfigure notions of space place network and border regimes The increasing ease of consumption and production of media has allowed for an unprecedented fluidity and mobility of class gender sexuality nation and transnation individual freedoms and aspirations Putting people at the core of the book this book shows the many ways in which people are using screen media to create identity participation and meaning The rich picture built up over the many chapters of this interdisciplinary volume raise important questions about the nature of contemporary media experiences At a time of great change in the ways in which people move and connect with each other this book provides an
