BEDTIME STORIES FOR KIDS Paul Steven, 2020-11-30 ARE YOU LOOKING FOR A COMPLETE FAIRY TALES COMPENDIUM THEN KEEP READING The reading time before bed has practical effects and of course when kiddos are so young they do not necessarily understand the practical benefits They only know that they enjoy having a story being read to them Storytime before bed is bonding time with Mom or Dad or both Kids are soothed to sleep by the sound of their mother or father's voice The bedtime story is the inspiration for the dreams that your child might have at night It is also the food for the child's conscious mind as they go about their day Children are also greatly influenced when it comes to personality traits Through stories our kids learn many of the values and character traits that they will hold on to and hopefully demonstrate later in life as they grow up Kids learn who they want to emulate who they want to be and how they should treat others With fantasy stories there is one extra benefit it works out their mind and imagination and gives the gift of what could be It is remarkable how things that never were and never will be can serve us in life Our fantasy worlds give us gifts like the concept of inclusion of all species and people even those from outer space Fantasy gives human voices and words to animals and machines even robots Fantasy helps us learn to empathize with people and creatures that are entirely different from us It teaches us to think before we react to something unfamiliar and how those who are not like us might feel from our words We hope that this collection of stories will inspire your child similarly with characteristics such as friendship courage equality hope generosity patience inclusion conservation and love for all Dream the sweetest dreams little ones The fantasy world helps kids broaden their

minds and imaginations When a parent reads a bedtime story to their child they give their child more than a way of falling asleep They are feeding their child s imagination What is so important about that is the imagination is where our best and most significant creations inventions and ideas come from Those creations and inventions become the next generation s technology The ideas grow bigger and spread out to become movements Sometimes those ideas become stories of their own for the next generation of readers and dreamers This Book Covers Carnival Fun The Princess and the Dragon The Bear the Fox the Goose and the Honeysuckle The Red Hen The Meteorite Pop a Balloon Dinosaurs in the Bed The Unicorn and the Grinning Ghost White Sands Blue Water and Dragons And Much More We imagined ourselves flying in the sky with birds We grew butterfly wings and became fairies We played with unicorns and dragons We traveled back in time and interacted with pirates knights and dinosaurs When we were sad our fantasy world cheered us and made us smile Our fantasy world gave us something to share with our friends who in turn helped us grow emotionally and creatively DO YOU WANT MORE OF THIS BOOK BUY IT NOW
