the relationship between the two musical worlds The Bard s Banjo is the first banjo instruction book devoted to the repertoire of Elizabethan song Free audio downloads are available for use with this title [Old-Time Festival Tunes For Fiddle & Mandolin](#) Dan Levenson,2015-10-29 This book and two CD set is intended to be a tune repertoire book It includes over 100 Old Time festival favorites Some are cliché others unusual some easy some difficult This mandolin book includes two lines of standard notation basic and advanced as well as a mandolin tab line that can be interpreted for fiddle also the basic version should be playable by those with general skills the advanced version will require more time and finesse as it is more ornamental often more than just melodic and may include less than intuitive ways of playing some passages Download the free mandolin versions of the songs from this book Download the free fiddle versions of songs from this book
