Celebrity, Convergence and Transformation Douglas Brownlie,Paul Hewer,Finola Kerrigan,2017-07-28 Bringing together the latest thinking on both celebrity brands and celebrity culture from academics specialising in the field of marketing this book explores a range of insightful contexts in order to add vigour and vitality to our understanding of the connections

between celebrities markets and culture It unpacks the identity theoretics which have their origins in the turn to celebrity culture and the spectacle and glamour of mass media practices In doing so the contributors hint at new forms of individuation where the line between the virtual and the actual is blurred and where images of celebrities construct and deconstruct themselves This book was originally published as a special issue of the Journal of Marketing Management
