Communicating With The Dead:

Communicating with the Dead Linda Georgian, 2010-05-11 Linda Georgian nationally known psychic and author of *Your Guardian Angels* shows you how to reach beyond the limits of your five senses to contact loved ones who have passed beyond life as we know it. In clear and easy to understand language she explains not only the historical and religious precedents for communicating with those who have passed beyond but how to initiate, respond to and interpret communications yourself.

Talking with the Dead Kiv Books, 2017-02-21 Is there life after death? What happens on the other side? Is it possible to contact those who have already passed away? These are usually the questions people have in mind about life after death. Sometimes you think grief gets in the way of your judgement. You don't know if you're just hallucinating or letting your imagination run wild. You have this inner conflict where you end up keeping these experiences to yourself. Otherwise your friends or family might just stare at you with wide eyes. Back in the days civilizations have long believed in an afterlife. People in almost every culture think that it is indeed possible to communicate with the dead. Throughout the ages many have reported that they have been able to speak with their dearly departed. Even in classic literature communication with ghosts and spirits frequently shows up. In a 2014 news poll it is said that three out of four people believe there's something after death. Many have sensed and received signs from their loved ones after passing. The idea that the living can make contact with the spirits of those who have passed over is popular today primarily because of the modern channeling trend which is considered part of the New Age movement stemming from Hinduism, Buddhism and other traditions. However, it is also important to understand everything about after death communication to deal with the departed souls in the right manner.

How to Communicate with the Dead Judith Fein, 2019-09-02 Very few travel writers have the skill to uncover profound beliefs and practices around the world for communicating with the dead, but Judith Fein is anything but your average travel writer. In her fascinating, informative and exciting new book *HOW TO COMMUNICATE WITH THE DEAD* she invites the reader to come along and get a glimpse through the thin veil that seems to separate life and death. We follow her from Japan to Brazil, Vanuatu, South Africa, Tunisia, Micronesia, Norway, Israel, Mexico, Tahiti, Nigeria, Ukraine, Italy, New Mexico and more. And if you are so inclined, Fein gives you step by step instructions so you can undertake the communication yourself with those you have lost. It can ease grief, provide answers, help anyone going through a difficult time or just satisfy your curiosity to look beneath the surface and beyond what is visible.
