Kent Roberts Greenfield, General Editor. [By] Martin Blumenson [and Others] ... With an Introduction by Cyril Falls United  
States. Department of the Army. Office of Military History,Kent Roberts GREENFIELD,1960      *The Panzer Killers* Daniel P.

Bolger,2022-05-03 A general turned historian reveals the remarkable battlefield heroics of Major General Maurice Rose the  
World War II tank commander whose 3rd Armored Division struck fear into the hearts of Hitler s panzer crews *The Panzer  
Killers* is a great book vividly written and shrewdly observed *The Wall Street Journal* Two months after D Day the Allies found  
themselves in a stalemate in Normandy having suffered enormous casualties attempting to push through hedgerow country  
Troops were spent and American tankers lacking the tactics and leadership to deal with the terrain were losing their spirit  
General George Patton and the other top U S commanders needed an officer who knew how to break the impasse and roll  
over the Germans they needed one man with the grit and the vision to take the war all the way to the Rhine Patton and his  
peers selected Maurice Rose The son of a rabbi Rose never discussed his Jewish heritage But his ferocity on the battlefield  
reflected an inner flame He led his 3rd Armored Division not from a command post but from the first vehicle in formation  
charging headfirst into a fight He devised innovative tactics made the most of American weapons and personally chose the  
cadre of young officers who drove his division forward From Normandy to the West Wall from the Battle of the Bulge to the  
final charge across Germany Maurice Rose s deadly division of tanks blasted through enemy lines and pursued the enemy  
with a remarkable intensity In *The Panzer Killers* Daniel P Bolger a retired lieutenant general and Iraq War veteran offers up  
a lively dramatic tale of Rose s heroism Along the way Bolger infuses the narrative with fascinating insights that could only  
come from an author who has commanded tank forces in combat The result is a unique and masterful story of battlefield  
leadership destined to become a classic      **Command Decisions** United States. Department of the Army. Office of Military

History,1960      *Ghost 6 and the Bright Blue Blade* Jonathan Tomes,2023-02-09 When a nurse asked John if he could have  
one wish he had just watched TV news depicting ISIS beheading Christians so he answered Bring me back as an infantry  
platoon leader to go fight ISIS He wakes up parachuting into Syria in combat gear but quickly learns he forgot to say male  
infantry platoon leader now that the president has opened combat positions to women In the ensuing battle she is wounded  
but is recommended for the Medal of Honor Upon being discharged from Walter Reed the president orders her to remain in  
DC so that he can show her off as proof that he was right in his decision How does she go to the State of the Union Address  
when she doesn t know how to put on makeup or pantyhose But after some comic misadventures she figures it out But then

she must go to a White House dinner in honor of Prime Minister Netanyahu She is assigned Major Michael David as her escort as she hardly has a significant other Strange things happen when she is with him that makes her wonder whether he is the Archangel Michael which he denies The Army wants to reclassify unfit for combat so she accepts the prime minister's offer to make her an Israeli soldier During a combat jump with the IDF her chute doesn't open but two arms enfold her and lower her to the ground Major Michael was along as an observer She's convinced he unfolded his wings to save her but he says he had a maneuverable parachute that let him catch her Although unconvinced it is the least of her problems He proposes to her Can she marry a man when something is left of the male brain in her Much less marry an archangel

Forgotten War Brian E. Walter, 2023-12-31 A new assessment of the British and Commonwealth contribution to the defeat of Japan in the Pacific The monumental struggle fought against Imperial Japan in the Asia Pacific theater during World War II is primarily viewed as an American affair While the United States did play a dominant role the British and Commonwealth forces also made major contributions on land at sea and in the air eventually involving over a million men and vast armadas of ships and aircraft It was a difficult and often desperate conflict fought against a skilled and ruthless enemy that initially saw the British suffer the worst series of defeats ever to befall their armed forces Still the British persevered and slowly turned the tables on their Japanese antagonists Fighting over an immense area that stretched from India in the west to the Solomon Islands in the east and Australia in the south to the waters off Japan in the north British and Commonwealth forces eventually scored a string of stirring victories that avenged their earlier defeats and helped facilitate the demise of the Japanese Empire Often overlooked by history this substantial war effort is fully explored in *Forgotten War* Meticulously researched the book provides a complete balanced and detailed account of the role that British and Commonwealth forces played on land sea and in the air during this crucial struggle It also provides unique analysis regarding the effectiveness and relevance of this collective effort and the contributions it made to the overall Allied victory
