Commentaries Jonah Matthew Henry Ebook:

Jonah Matthew Henry, 2015-06-26 Matthew Henry 1662-1714 was a British Non Conformist minister and author. Henry's commentaries are primarily exegetical, dealing with the scripture text as presented with his prime intention being explanation for practical and devotional purposes. While not being a work of textual research for which Henry recommended Matthew Poole's Synopsis Critorum, Henry's Exposition gives the result of a critical account of the original as of his time with practical application. It was considered sensible and stylish a commentary for devotional purposes. Famous evangelical Protestant preachers such as George Whitefield and Charles Spurgeon used and heartily commended the work with Whitefield reading it through four times the last time on his knees. Spurgeon stated: Every minister ought to read it entirely and carefully through once at least. Perhaps his best known quotation is about the relationship between men and women from the story of the creation of Eve in the Book of Genesis: the woman was made of a rib out of the side of Adam, not made out of his head to rule over him, nor out of his feet to be trampled upon by him, but out of his side to be equal with him under his arm to be protected and near his heart to be beloved.

Commentaries on Jonah, 2015-12-11 Matthew Henry was a Nonconformist minister and author best known for his extensive commentaries on the Bible which were published in the early 18th century shortly before his death.

Practical Observations on the Book of Ruth

C. Matthew McMahon, 2024-03-20

The Book of Ruth, often perceived as a heartwarming love story, is much deeper than its brief 85 verses may suggest. Far from just a narrative of an impoverished outcast finding love through the guidance of her mother-in-law, it holds a weighty place in the biblical canon, universally acknowledged and inspired by the Holy Spirit for the enrichment of the Church. But could there be more to it? The true brilliance of Ruth lies in its core message. It masterfully illustrates the concept of redemption and how it unfolds through the Kinsman Redeemer. The historical context with Ruth's pivotal role as a Moabite convert to true faith further accentuates its significance. Her union with Boaz, a revered figure among his kin, led to the birth of Obed, the grandfather of King David. The narrative was crafted to affirm David's legitimate claim to the throne, emphasizing his divine lineage. Yet, the true essence of the book transcends earthly monarchies, pointing towards King Jesus, the Messiah. Our Spiritual David, who emerges as the savior and the ultimate Kinsman. In "Practical Observations on the Book of Ruth," McMahon explores this biblical masterpiece, offering insightful verse-by-verse observations. He presents it as a reflection of Christ's Covenant of Grace, providing a comprehensive commentary on its relevance to the Christian faith and its practical implications for believers in their everyday lives.

Rethinking Jonah Thomas J. Belke, 2025-06-30

Was the Hebrew Prophet Jonah a real or fictional person? If real, when did he live? Who were his contemporaries? Where did he grow up? How long did he live? What was he like? Is the biblical book truth or fiction? Can we know more about him than the 48 verse account in the biblical Book of Jonah, one verse in 2 Kings, and three short New Testament references? To what extent are contemporary assessments of him as being the runaway prophet accurate? And what really happened at Nineveh and in the aftermath? **RETHINKING JONAH** is subdivided into four volumes that build on each other as follows:

- Volume 1: Convergence
- This first volume launches into the inference-based historical reconstruction resulting in convergence on the 9th century BC.

timeframe Scribes scrolls cliffs caves and skulls Prepare to be amazed Volume 2 The Boy Prophet This second volume reveals that Jonah is hidden in plain sight in 2 Kings and reconstructs the first part of his life from his miraculous birth in the Spring of 850 BC to his first resurrection in 849 BC to him drowning to death at sea in 826 BC Volume 3 Two Scrolls Not One This third volume picks up with Jonah's second resurrection in 826 BC reveals that Jonah was originally published as two scrolls not one explains why Nineveh repented in 824 BC and reconstructs Jonah's third resurrection in 799 BC Volume 4 Mysteries Unveiled This fourth volume synthesizes the entire historical reconstruction including an in depth look at the sign of Jonah and the Jonah Israel super sign typology that Jonah's life is a typological map of the history of Israel past present and future

Animal Ethics and the Nonconformist Conscience Philip J. Sampson, 2018-08-24 This book explores the religious language of Nonconformity used in ethical debates about animals. It uncovers a rich stream of innovative discourse from the Puritans of the seventeenth century through the Clapham Sect and Evangelical Revival to the nineteenth century debates about vivisection. This discourse contributed to law reform and the foundation of the RSPCA and continues to flavour the way we talk about animal welfare and animal rights today. Shaped by the nonconformist conscience it has been largely overlooked. The more common perception is that Christian dominion authorises the human exploitation of animals while Enlightenment humanism and Darwinian thought are seen as drawing humans and animals together in one family. This book challenges that perception and proposes an alternative perspective. Through exploring the shaping of animal advocacy discourses by Biblical themes of creation fall and restoration this book reveals the continuing importance of the nonconformist conscience as a source to enrich animal ethics today. It will appeal to the animal studies community theologians and early modern historians.

Matthew Henry's Commentary Matthew Henry, David Brian Winter, 1974 **Biblical Theology** Jonathan Menn, 2025-11-21 Biblical Theology The Story of the Christ covers the overall biblical storyline and shows in detail how the entire Bible ultimately is about Christ. This book does what no other book on biblical theology does it details Christ's pre-incarnate appearances in the Old Testament how he appears in prophecy and how he appears typologically. More than that the book shows how Christ is the fulfillment of all that Old Testament Israel and its major institutions were pointing to including the Abrahamic Davidic and new covenants the nation itself the tabernacle and temple sacrificial system and priesthood law Sabbath and feasts. Because Jesus Christ is at the heart of the biblical story is its main character and holds the entire Bible together the book concludes with two important appendices Appendix 1 shows how Christ is fully God and fully man and discusses why that is important Appendix 2 explains the Christian doctrine that God is Trinity showing how that idea is neither incoherent nor illogical but clearly emerges from the Bible and is reasonably understandable. In fact because God is Trinity trinitarian concepts have been designed into all levels of reality from the microscopic to the macroscopic.

Matthew Henry's Commentary: Matthew to John Matthew Henry, 1991 Commentary on Joshua to Esther **Matthew Henry's Commentary** Matthew Henry, 1991 **The ^ANew Faces of Christianity** Philip Jenkins, 2006-09-01 Named one

of the top religion books of 2002 by USA Today Philip Jenkins's phenomenally successful *The Next Christendom* permanently changed the way people think about the future of Christianity. In that volume Jenkins called the world's attention to the little noticed fact that Christianity's center of gravity was moving inexorably southward to the point that Africa may soon be home to the world's largest Christian populations. Now in this brilliant sequel Jenkins takes a much closer look at Christianity in the global South revealing what it is like and what it means for the future.

Matthew Henry's Commentary on the Whole Bible

Matthew Henry, 1960 **Matthew Henry's commentary** Matthew Henry, *Matthew Henry's Commentary for Today's Reader* Matthew Henry, 1975 Jonah (Brazos Theological Commentary on the Bible) Phillip Cary, 2008-10-15

Pastors and leaders of the classical church such as Augustine, Calvin, Luther and Wesley interpreted the Bible theologically, believing Scripture as a whole witnessed to the gospel of Jesus Christ. Modern interpreters of the Bible questioned this premise. But in recent decades a critical mass of theologians and biblical scholars has begun to reassert the priority of a theological reading of Scripture. The *Brazos Theological Commentary on the Bible* enlists leading theologians to read and interpret Scripture for the twenty-first century just as the church fathers, the Reformers and other orthodox Christians did for their times and places. In the sixth volume in the series Phillip Cary presents a theological exegesis of *Jonah*.

Matthew Henry's Commentary

Matthew Henry, 1959 Matthew Henry's Commentary: Job to Song of Solomon Matthew Henry, 1991 *Commentary on Joshua to Esther*

Bible Themes from Matthew Henry Matthew Henry, 1964 **Jonah** John Wesley, 2015-06-22 John Wesley's explanatory notes on the Old Testament were written several years after his notes on the New Testament and are based on the earlier works of Matthew Henry's *Exposition of the Old and New Testaments* and Matthew Poole's *Annotations on the Holy Bible*. Extracts from both of these works are paraphrased and abridged by Wesley for the

Explanatory Notes on the Old Testament unlike the *Explanatory Notes on the New Testament* which were entirely of his own composition.

Go to Nineveh Steven Bob, 2013-07-09 The book of *Jonah* remains an engaging part of the religious lives of Jews and Christians. On the human level the dramatic story speaks to us of the possibility of second chances in our lives. On the spiritual level it describes the paths an individual and a people can take leading them back to God. Medieval Jewish commentaries unfold new perspectives of meaning beyond the surface of the biblical text. In explaining the verses of the book of *Jonah* the commentators explore many core topics including human nature, our relationship with God, the interaction of Jews and gentiles and the meaning of our lives. This book offers the first full English translation of the commentaries of Rashi, Ibn Ezra, Kimchi, Abarbanel and Malbim. It also provides an explanation of their comments making them accessible to contemporary Western readers. Until now one needed a high level of Hebrew to explore these works. *Go to Nineveh* opens this world to the modern English reader. The book also includes the author's own modern commentary considering questions not raised by earlier commentators.
