Commercial Kitchen Training Manual:

Restaurant Kitchen Manual Jeffrey D. Schim, 2017-06-14 In this manual your employees will learn the basics in your restaurant kitchen. It is very important that your kitchen staff learn and understand everything outlined in this restaurant kitchen manual. In so many cases, most cooks don't know time and temperature, food safety, shelf life, dates, basic position training, and etc. During the interview process, you may run into an applicant that appears to be awesome. The applicant will say what they think you want to hear, they talk the talk, but can they walk the walk? After you conducted a reference check, you can decide if the applicant is a good fit for your restaurant. The next step is kitchen training. Everyone goes through kitchen training, whether they are experienced or inexperienced. You truly don't know if that applicant is on the up and up on their experience. Typically, experienced employees will learn faster than non-experienced employees and therefore will require less training days. Non-experienced employees will require more attention, TLC, and quite possibly extended training days.

Restaurant Training Manual Jeffrey Schim, Donna L. Schim, 2016-04-02 Whether you are a new restaurant or an existing restaurant, the restaurant training manual will be the perfect guide to train your management and staff members. This guide covers all aspects of restaurant management and operations. We recommend using the entire manual to train managers since they need to know all the areas in the restaurant. The information in this manual has been used in many successful restaurants. The material in this manual was created by individuals who worked in the restaurant industry and know how to create a thriving business with exceptional customer service. The manual includes the following management topics: Orientation, Sexual Harassment, Open Door Policy, Minor Laws, What Makes a Great Manager, Manager Job Description, Hiring and Termination Procedures, Interviewing and Hiring Process, Application and Hiring Do's and Don'ts of Hiring, Interviewing Process, Suspending/Terminating Employees, The Manager's Walkthrough, and Figure Eights.
