**Driver 8** G. Michael Hopf, 2017-10-30 Nineteen years have passed since a nuclear world war wiped out the United States leaving nothing but charred and ruined cities Out of the ashes small pockets of survivors banded together to forge new societies in the few areas not ravaged by the nuclear holocaust One community has not only risen but thrived Known as The Collective they pride themselves on an orderly system of government with a functioning infrastructure The citizenry owe their success to their founder The Number One who presides over them with an iron fist Life in The Collective centers on contribution and purpose All are assigned responsibilities and if one cannot fulfill them they are cast out The most coveted but dangerous responsibility is that of a driver Drivers ride the lonely and barren roads scavenging and exploring the outer reaches Over the years only one has emerged as a legend and his name is Driver 8

The Long Road G. Michael Hopf, 2013-08-29 The End was just the beginning of the struggle to survive The turmoil that Gordon and his family dealt with in the first 6 weeks will seem trivial as they now are outside the gates of Rancho Valentino The journey to Idaho will show them and their small group how far civilization has deteriorated in a very short time The family's sanity will be bitterly tested as challenges along the way will shake them to their core Sebastian now free has been deposited in a San Diego unrecognizable to him The savagery of a people fighting for limited resources comes into stark relief as he navigates the deadly roads in search of his brother Along the way he will discover that some still hold the torch of civility and hope for a better tomorrow With the presumed death of President Connor Vice President Cruz must lead the

fledgling federal government out of the bunker of Cheyenne Mountain and towards a new purpose of revitalizing the United States but this will come with great cost and difficulty as tough choices will have to be made Col Barone's grief at the loss of his son has changed him No longer does he feel constrained by the old code of conduct he once pledged himself to He now leads a powerful force of over 4 000 well armed Marines to settle not just a new country but also a score against those he thinks have wronged him One thing that is certain The Long Road will take its toll on all of them
